---

request duly recommended by Research Advisory Committee must be submitted to the Head of the Department (for the consideration of Departmental Research Committee) at least two months before the expiry of the registration period, failing which the request for extension is liable for rejection.

**8.3.1** An extension up to not more than three months shall be granted to the research scholar by the Departmental Research Committee after due scrutiny of the reasons for the delay and the recommendations of the Research Advisory Committee.

**8.3.2** Any extension beyond three months and up to maximum of one year shall require the approval of the Vice Chancellor.

**8.3.3** If a PhD research scholar fails to complete his/her PhD Program even after stipulated extension periods mentioned above, his/her admission stands cancelled. However, the Academic Council, on exceptional grounds, may consider further extension of not more than one year.

**8.4** The women candidates and Persons with Disability (more than 40% disability) shall be given a relaxation of two years for PhD in the maximum duration. In addition, the women research scholars shall be provided Maternity Leave/Child Care Leave once in the entire duration of PhD program for up to 240 days by the Vice Chancellor.

This period of Maternity Leave/Child Care Leave shall not be counted in the total span period required for submission of PhD thesis.

**8.5** During the extension period, research scholar shall not be entitled for any scholarship/fellowship.

## **9. De-Registration**

In exceptional cases like employment/national and international academic fellowships or otherwise, a PhD research scholar shall be allowed to de-register, only after completion of first year of the registration and also successful completion of the course work on the recommendation of the Departmental Research Committee and the approval of the Vice Chancellor.

**9.1** The research scholar shall be required to re-register within a period of two and half years failing which his/her admission stands cancelled.

**9.2** The de-registered positions shall not be considered vacant until and unless admission/registration is cancelled.

# Maulana Azad National Urdu University

---

- 9.3** The PhD thesis shall be submitted in such duration that the span of initial registration and re-registration does not exceed the total span stipulated for PhD Program.
- 9.4** The period of de- registration shall not be counted for calculating the minimum duration of PhD Program.
- 9.5** De-registration shall be allowed only once in the entire duration of PhD Program.

All such cases shall be examined individually on the basis of the merit of the case and shall be further subject to the approval of the Vice Chancellor.

## **10. Re-Registration**

- 10.1** The de-registered research scholar shall be eligible for re-registration and for this purpose he/she shall submit an application to Head of the Department at least two months in advance. The Head of the Department shall place the same before Departmental Research Committee and the recommendations of the Departmental Research Committee shall be submitted for the approval of Vice Chancellor.
- 10.2** Re-registered research scholar, after approval shall be required to pay the admission fee, semester fee and other fee as applicable.

## **11. Joining the Program**

## **12. Attendance**

- 12.1** Both full-time and part-time research scholars shall have to secure a minimum aggregate of 75% attendance in order to be eligible to appear in the PhD course work examination subject to relaxation on medical grounds as per University rules.
- 12.2** A relaxation of not more than 10% of the attendance could be given on valid medical ground on the production of medical certificate subject to acceptance by HoD and approval by Dean of the School concerned. Further, only those medical certificates shall be considered for which HoD was informed during the illness or those that are submitted within two weeks of the said illness.

# Maulana Azad National Urdu University

---

- 12.3** A PhD research scholar deputed by the University to take part in any co-curricular or extra-curricular activity, sports or like may be given an additional concession of up to 5% of attendance. Such concession shall be available for the days of actual participation in the event, including journey time with the prior approval of the Dean of the School concerned.
- 12.4** A PhD research scholar who fails to secure minimum consolidated attendance of 75% shall not be eligible to appear in the PhD course work examinations and his/her admission shall stand cancelled.
- 12.5** Full-time PhD research scholar shall compulsorily have to put in 75% of attendance in his/her first year of the residency.
- 12.6** From the second year onwards, if the research scholar is required to be on fieldwork, the recommendation and certification of the Research Supervisor is admissible.
- 12.7** Only such scholars shall be considered for scholarship who put in 75% attendance each month. For the purpose, the HoD/Director concerned shall maintain an attendance register which needs to be daily signed by research scholars from the Semester II onwards. The course work classes in Semester I shall serve the purpose of attendance verification and compliance. Those who are exempted from course work shall be required to sign the attendance register from Semester I onwards.
- 12.8** The research scholar shall be required to be in continuous touch with the Research Supervisor concerned.
- 12.9** The Research Supervisor must report any absence from research work by the research scholar due to illness, maternity leave or other circumstances to the Head concerned and Departmental Research Committee.
- 12.10** Negligence of research work on the part of research scholar must be recorded and reported by the Research Supervisor to the Research Advisory Committee and Departmental Research Committee.
- 12.11** Any leave or absence from research work shall require prior intimation and approval of the Departmental Research Committee. This period shall be counted in the total span period for submission of thesis.
- 12.12** The Dean concerned on the recommendations of the Research Supervisor, Research Advisory Committee and Head of the Department may permit a research scholar to be absent from the University for not more than three months at a

stretch, if he/she considers it essential for the research scholar to be elsewhere in connection with his/her research work.

thesis, the thesis shall be sent to same examiner again along with the recommendations of the DRC.

- 23.14** If one of the external examiners rejects the thesis then the thesis shall be sent to a third external examiner, who shall be appointed by the Vice Chancellor from the approved panel of examiners and the viva-voce examination shall be held only if the third examiner recommends that the thesis be accepted and viva voce be conducted.
- 23.15** If the third examiner also rejects the thesis, then the thesis shall be rejected and the research scholar shall be declared ineligible for the award of the degree and the registration stands cancelled.
- 23.16** In case all the examiners unanimously recommend that thesis be accepted and viva voce be conducted, the Controller of Examination shall inform the Dean and the Head of the Department/Director of the Centre concerned to conduct the viva-voce of the research scholar.
- 23.17** The entire process of evaluation of PhD thesis shall be completed normally within a period of six months from the date of submission of the thesis.
- 23.18** The PhD degree shall be awarded subject to successful completion of viva-voce.

## **24. Viva Voce Examination**

- 24.1** The open viva-voce of the research scholar to defend the thesis shall be conducted provided that the evaluation report(s) of the two external examiners on the thesis are satisfactory and include a specific recommendation for conducting the viva-voce examination.
- 24.2** The evaluation reports shall be sent by the examiner(s) to the Controller of Examinations, who shall consolidate the evaluation reports and send the same to Dean concerned for comments and for the conduct of viva-voce examination. Consequent to the receipt of the satisfactory report of the Dean, the Controller of Examinations shall seek the consent of one of the external examiners for the conduct of viva-voce examination. Further, in the decision of selecting the examiners, first preference shall be given to one who shall be at economical distance and shall be available for viva-voce examination in a reasonable time period.

# Maulana Azad National Urdu University

---

- 24.3** In view of the tentative dates from external examiner, the Controller of Examinations shall take the opinion of HoD/Director and Research Supervisor on the suggested dates and fix the viva-voce examination.
- 24.4** If both the examiners do not respond within two weeks or are unable to fix a date for conducting the viva-voce examination within one month, the Controller of Examinations shall obtain the approval of the Vice Chancellor to appoint another examiner for examining the thesis and conducting the viva-voce examination of the research scholar.
- 24.5** Provided further, where the Research Supervisor (internal examiner) is not available and is not likely to be available in the next three months after the receipt of the last report from the external examiner, the Controller of Examinations may request the concerned Head/Director to conduct the viva-voce examination and the Head/Director shall act as the Research Supervisor in his/her absence.
- 24.6** In case the concerned Head/Director and Dean of the School are not available, the officiating persons shall conduct the viva voce.
- 24.7** The date fixed for viva-voce examination shall be notified and communicated to the research scholar. The date and time shall be displayed on the notice board of the concerned department well in advance.
- 24.8** The viva-voce shall not carry qualifying marks.
- 24.9** The viva-voce examination, based among other things, on the critique given in the evaluation report, shall be conducted by the Research Supervisor, at least one of the external examiners, HoD/Director and Dean concerned. The Dean shall chair the same. The viva-voce examination shall be open to members of the Departmental Research Committee, all faculty members of the Department and other interested experts/ researchers/students.
- 24.10** The Research Supervisor and external examiner conducting the Viva Voce examination shall submit their Report in the prescribed format. The report shall be duly signed and sealed by HoD/Director and Dean concerned. The Dean concerned shall send the same to Examination Branch.
- 24.11** In case a research scholar is not recommended for the degree by the examiners at the time of viva-voce examination, he/she may be permitted to re-appear in the viva-voce examination to be held not earlier than three months but not later than six months from the date of his/her first viva-voce. The viva-voce examination of

the research scholar for the second time shall be conducted by the original examiners unless they or any one of them is/are not available or is/are unwilling to act as such. In such case the substitute examiner/examiners shall be appointed preferably from within the panel submitted earlier.

**24.12** Based on the successful completion of viva-voce examination, the Dean shall forward a confidential report to the Controller of Examinations recommending the declaration of the result of the PhD research scholar.

**24.13** Subject to the provisions contained in these statutes where a research scholar applies for a copy of the report of the examiners, these reports in full or excerpts thereof shall be provided to the research scholar for the said purpose.

**24.14** One hard copy of the thesis accepted by the University for the Award of degree of Doctor of Philosophy shall be deposited in the MANUU Library and the other copy shall be kept in the records of Examination Branch.

## **25. Award of PhD Degree**

The Controller of Examinations shall on the basis of the report submitted declare the result of the research scholar for the award of Degree of Doctor of Philosophy after seeking approval from the Vice Chancellor.

## **26. Provisional Certificate**

Prior to the actual award of the PhD degree, the University shall issue a provisional Certificate to the research scholar certifying to the effect that the Degree has been awarded in accordance with the provisions of the UGC (Minimum Standards and Procedure for Award of MPhil/PhD Degree) Regulations, 2016.

## **27. Depository with INFLIBNET**

**27.1** The research scholar shall submit two soft/electronic copies of PhD thesis to the Controller of Examination following the successful completion of viva-voce examination.

**27.2** Following the successful completion of the evaluation process and before the announcement of the award of PhD Degree, the University shall submit an electronic version/soft copy of the PhD thesis to the UGC within a period of thirty days, for hosting the same in the digital repository of INFLIBNET/Shodhganga,
