Programme Monitoring and Review	Monitoring and review are critical components of distance education programs, and they are essential for ensuring that the programs remain relevant, effective, and efficient. The following are the ways in which CDOE implements distance education program monitoring and review: a. Assign responsibility for monitoring and review: Assign roles and responsibilities to individuals or teams responsible for monitoring and review activities which include program coordinators, instructors, instructional designers, and administrative staff. c. Collect and analyze data: Collect data on program performance using the identified KPIs. Analyze the data to identify areas of strength and weakness in the program. d. Use feedback from stakeholders: Solicit feedback from students, instructors, and other stakeholders to obtain their perspectives on the program. Use this feedback to make improvements to the program. e. Regularly review the curriculum: Review the program curriculum regularly to ensure that it remains current and relevant. This involves updating course content, introducing new courses, or removing courses that are no longer relevant. f. Conduct periodic program evaluations: Conduct periodic program evaluations to assess the program's overall effectiveness and identify opportunities for improvement.	https://dde.manuu.edu.in/sites/default/files/DE/Self-Regulation-Disclosures/Student-Feedback-MANUU-Distance-Course-DDE-CDOE.pdf

Grievance Redressal Mechanism at CDOE

The Centre for Distance and Online Education (CDOE) has established a robust **Grievance Redressal System** to ensure student concerns are addressed effectively and efficiently. A dedicated **Student Support Services Unit (SSSU)** is operational at the CDOE headquarters (MANUU), supported by help desks at all **Regional Centres (RCs)**, **Sub-Regional Centres (Sub-RCs)**, and **Learner Support Centres (LSCs)**.

Grievances are received through multiple channels including **email**, **social media**, **telephonic communication**, and **letters**. Additionally, the University provides an **online portal** that enables students to **submit grievances** and **track their resolution status** in real-time. The details and contact information of the support units are published on the University's official website for easy student access.

In line with the guidelines outlined in **Annexure X of the UGC-DEB Regulations**, the University ensures that all staff deputed for learner support are trained and equipped to guide students effectively in submitting and resolving grievances. Timely redressal is prioritized to uphold the institution's commitment to student welfare.

Each RC and LSC takes **proactive steps** to address issues at the enquiry stage, aiming to prevent their escalation into formal complaints or grievances. It is recognized that unresolved concerns—whether due to **service delays**, **unavailability of resources**, **staff misconduct**, **discrimination**, or **procedural lapses**—can impact the student experience. Therefore, the University continuously monitors the grievance system, assessing its effectiveness based on:

- **Volume and nature of cases received**
- **Time taken for resolution**
- **Recurrence of similar issues**

The centralized grievance redressal mechanism links all RCs, Sub-RCs, and LSCs with the **SSSU at headquarters**, ensuring streamlined communication, quick resolution, and accurate information dissemination. The support services not only address grievances but also provide **ongoing counseling**, bridging the gap between the University and its learners to foster a responsive and student-friendly academic environment.
