From the Vice Chancellor's Desk

As the Vice Chancellor of the Maulana Azad National Urdu University, I believe that the pinnacle of excellence in interdisciplinary research, innovation, and inclusive societal advancement can be achieved through education in the Urdu language. I imagine a future when our students can become visionary leaders with the knowledge, empathy, and willpower to make a world filled with positive change and limitless opportunity.

Standing at the juncture of last 27 years, to create this eco-system, I have a vision for the next 10 years: including experienced individuals in the university's administration, decentralizing power and responsibility and raising the standard of work are crucial factors for inculcating a model of good governance. This is consistent with the ideas of effectiveness, competitiveness, independence, and self-sufficiency so that workable solutions can be developed by utilizing the core competencies of all stakeholders to address the issues the university is experiencing.

The University has made some significant decisions in the implementation of fresh concepts in the light of NEP 2020 in order to meet the current demand for a healthy academic environment. The introduction of foreign languages is one idea for which Urdu can serve the finest purpose in the field of translation and interpretation. There has been an emphasis on fusing several disciplines together to foster interdisciplinary and multilingual traditions. This would enable integration of subjects and cross cultural research cutting across boundaries.

Another area in which we are able to maintain our source of knowledge, while adopting a clear strategy to empower our students professionally is through implementing programs in skill development. As a result, several of the disciplines are gaining increasing acceptance and support from other institutions and from students both inside and beyond the state.

As a major portion of students admitted to our university come from socially and economically disadvantaged backgrounds, stronger connections are being established with the madrassas through both physical and virtual channels. As per the mandate of the statute of the university, the institution is also now able to attract a large number of girls' students in regular as well as distance learning programs. This demonstrates the University's reach at all levels.

All put together, there is a bright future that beckons you to this University.

Professor Syed Ainul Hasan
(Vice Chancellor, MANUU)

7.2.4 List of Learner Support Centres for B.Sc. Programmes

Learners opting for B.Sc. (Hons) must opt for an LSC from the list provided below for their counselling classes, practical classes, and practical exams, subject to fulfilling the criteria of minimum strength to conduct the classes/exams at a centre. In case there is a less strength in a particular centre, the students of that centre will be merged with the students of the nearest available LSC. They may, however, be permitted to appear for the Semester-end Theory Examination in any other LSC on prior approval.

F. No. UGC/DEB/ 2013
Dated 14.10.2013

The Registrar/Director
Of all the Indian Universities
(Deemed, State, Central Universities/
Institutions of National importance)

Subject: Equivalence of Degrees awarded by Open and Distance Learning
(ODL) Institutions at par with Conventional Universities/ Institutions

Sir/ Madam,

There are a number of Open and Distance Learning Institutions (ODLIs) in the country offering Degree/ Diploma/Certificate programmes through the mode of non formal education. These comprise Open Universities, Distance Education Institutions (either single mode or dual mode) of Central Universities, State Universities, Deemed to be Universities, Institutions of National Importance or any other Institution of Higher learning recognized by Central/State/Statutory Council/Societies registered under the Society Registration Act 1860.

2. A circular was earlier issued vide UGC letter F1 No- 52/2000(CPP-II) dated May 05, 2004 (**copy enclosed**) mentioning that Degrees/Diplomas / Certificates/ awarded by the Open Universities in conformity with the UGC notification of degrees be treated as equivalent to corresponding awards of the traditional Universities in the country.

3. Attention is also invited to UGC circular No F1-25/93(CPP-II) dated 28th July 1993 (**copy enclosed**) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of universities so that the mobility of students from Open University stream to traditional universities/ institutions is ensured without any difficulty.

4. The Government of India, in exercise of its power conferred under section 20(1) of UGC Act 1956, issued directions dated 29th December 2012 entrusting UGC with the responsibility of regulating higher education programme in open and distance learning (ODL) mode. Consequently, Universities/ Institutions desirous of offering any programme through distance mode would require recognition of UGC.

5. As you are aware, the Government of India has envisaged a greater role for the Open and the Distance Education System. The envisioned role may be fulfilled by recognizing and treating the Degrees / Diplomas/ Certificates awarded through distance mode at par with the degrees obtained through the formal system of education. Open and Distance Education System in the country is contributing a lot in expansion of Higher Education and for achieving target of GER, without compromising on quality. Non recognition/ non equivalence of degrees of ODL institutions for the purpose of promotion/ employment and pursuing higher education may prove a deterrent to many learners and will ultimately defeat the purpose of Open and Distance Education.

6. Accordingly, the Degrees/ Diplomas/ Certificates awarded for programmes conducted by the ODL institutions, recognized by DEC (erstwhile) and UGC, in conformity with UGC Notification on specification of Degrees should be treated as equivalent to the corresponding awards of the Degree/Diploma/Certificate of the traditional Universities/ institutions in the country.

PUBLIC NOTICE

The Government of India has envisaged a greater role for the Open and the Distance Education System. The envisioned role may be fulfilled by recognizing and treating the Degrees/Diplomas/Certificates awarded through distance mode at par with the corresponding awards of Degrees/Diplomas/Certificates obtained through the formal system of education. Open and Distance Education System in the country is contributing a lot in expansion of Higher Education and for achieving target of Gross Enrolment Ratio, without compromising on quality. Non recognition/non equivalence of degrees of Open and Distance Learning (ODL) institutions for the purpose of promotion/employment and pursuing higher education may prove a deterrent to many aspiring students and will ultimately defeat the purpose of Open and Distance Education.

Accordingly, the Degrees/Diplomas/Certificates awarded for programmes conducted by the ODL institutions, recognized by the erstwhile DEC/UGC, in conformity with UGC Notification on Specification of Degrees should be treated as equivalent to the corresponding awards of the Degree/Diploma/Certificate of the traditional Universities/Institutions in the country.

UGC has notified *UGC (Open and Distance Learning) Regulations, 2017* in the official Gazette on **23/06/2017**. As per UGC (Open and Distance Learning) Regulations, 2017 under Part-I (2)(p), the programmes in engineering, medicine, dental, pharmacy, nursing, architecture, physiotherapy and such other programmes which require hands-on training are not permitted to be offered under Open and Distance Learning mode.
