Part - 6: Compliance status of 'Quality Assurance Guidelines of Learning Material in Multiple Media, Curriculum and Pedagogy' – As per Annexure - VII of UGC(ODL) Regulations, 2017:

HEI shall mention compliance details against the requirements in terms of Learning material (Print Media), Audio-Video Material: Quality Standards, Online Material: Quality Standards, Computer-based material: Quality Standards and Curriculum and Pedagogy: Quality Standards, as mentioned in the Annexure-VII of the Regulations.

Audio Visual Materials: Quality Standards Before producing any supplementary material in the form of Audio visual curriculum based programme, the aspects of productions like learning capabilities, skills and programme formats are decided. The resource persons use simple language while delivering the video lessons to avoid any ambiguity or any pedagogic jargon. In the beginning of every video lesson, audio/video programmes follow a standard pattern of mentioning the details about the programme like title and class and objectives of the video lesson and concludes with learning outcomes and references. Apart from these details the concerned resource persons clearly mentions that this lesson is for the students of a particular subject/course e.g. B. A (Urdu) I, II, III year etc. and further it is also mentioned in the title of the programme through graphics. The centre also creates a downloadable link for each video lessons and same is shared with the Directorate of Distance Education and these links are uploaded at the university's website's DDE portal to make it convenient for easy access to the ODL students. As far as the quality of the productions is concerned, all the video programmes are being produced in Standard Definition with complete synchronization of the sound with images. The producer, resource persons and the graphic artists enhances the quality of every programmes by using rich, appropriate graphics while the programme content is supported with requisite visuals. To make lesson easy to understand and to fulfil the mandate of the university the graphics and textures slides are presented in the Urdu language, but in Science and Social Sciences programmes the slides are also incorporated in Urdu and English as well. In addition, to provide the wider access of video lessons, IMC has launched IMC MANUU Youtube channel which has a repository of curriculum based audio-visual programmes of various streams like Science, Social Science, Life Science, Education and Training, Arts and Languages etc. Since social media is now widely spread amongst all age groups, the students are taking benefits of these audio video lessons at Instructional Media Centre MANUU Youtube channel as per their conveyance. Further, to provide a scope for discussion on a Audio video lesson, the ODL students are being encouraged to write back to the concerned Resource Person to clarify their doubts. This provides a live interacting platform for students wherein students clarify their doubts about their lesson from the concerned teacher. During closing remarks, the teacher also encourages students to write back for more clarifications. The audio-visual lessons are reviewed and checked for quality by the experts and after their approval the materials are uploaded on the website.

Part - 7: Compliance status of 'Guidelines on preparation of Self-learning Material' – As per Annexure - VIII of UGC (ODL) Regulations, 2017:
