Short Biographical note

Mr. Lingaraj Mallik is currently an Assistant Professor in Economics, Department of Economics, School of Social Science, MANUU Hyderabad. Prior to my M.Phil degree awarded from Pondicherry University, I joined in the Department of Economics, MANUU Arts and Science College for Women, Srinagar in 2015. My area of specialization is macroeconomics, mathematical economics, econometrics and statistics. I have four and half year teaching experience of P.G and PhD at Arts and Science College for Women-MANUU Satellite Campus, Srinagar. Along with teaching I have been working on External Imbalance of India and have published research articles in national and international journals of repute. Three Master Degree Students have been successfully completed their Master Projects under my guidance.
