The following decisions were made after a thorough examination of every scholar's progress, regularity and so on.

1. The committee was convinced that **Arfat Fatima** may be given one year extension as she had pregnancy, child birth with a cesarean operation and the post delivery problems. She was asked to submit all the necessary documents in this regard.
2. **Ayesha Tarique** has also done 2/3 of her work and needs 6 months extension as also she had gone through the process of pregnancy and child birth. She was asked to submit all the necessary documents in this regard.

DRC Minutes

Minutes of the Meeting held on 13.12.2018 at 03.00 PM

The Al-Beruni Centre for the Study of Social Exclusion and Inclusive Policy held a Departmental Research Committee (DRC) on 13 December, 2018 at Director's room. The committee reviewed the status of research work of all PhD research scholars enrolled in the Centre. The following decisions were made after a thorough examination of every scholar's progress, regularity and so on.

1. Mr. Mohammad Abdul Moid has completed 7 years and has requested in the month of May, 2018 to the Hon'ble Vice Chancellor for the approval to submit his PhD thesis. The Academic Section-MANUU has sought the opinion of the DRC in this regard. DRC has seen the draft copy of his thesis and is satisfied with the work, which is ready for submission. The student has cited Telangana State agitation as the main reason for delay and the consequent disturbances caused during his fieldwork. As his topic demanded to study the role of Muslims in Telangana politics and their political participation in the state that required serious fieldwork. It took more than a year to record the events to bring out a quality PhD thesis, which caused delay in the submission of the thesis and this was beyond the control. Moreover, his recurrent personal illnesses and also health issues of his family members also caused the delay and DRC looked this sympathetically. However, as he took more than 7 years, only the Hon'ble Vice Chancellor has the power to permit him for submission. The DRC recommends that the thesis may be submitted if Hon'ble VC permits him as a special case.
2. The research progress of Mr. S.M. Abbas Hussain Naqvi, (PhD. Student- 2013-2014) was discussed in DRC. The Proctor Office had earlier communicated to the Centre that student related services to him be stopped. Moreover, Dr. A. Nageswara Rao, Research Supervisor of Mr. Naqvi, informed that the scholar is not serious about his research and is not reporting to him for the last 7 months. The DRC resolved that the necessary action may be initiated against his continuous absence as reported by the research supervisor.
3. The DRC felt that the progress of other research scholars, viz., Mr. Tabrez Hussain, Ms. Asma Anjum, Mr. Mushtaque Ali and Mr. Mohd Usman is found satisfactory.
4. The DRC resolved that the Pre-Submission of Ms. Asma Anjum, (PhD. Student- 2013-2014) and Mr. Tabrez Hussain, (PhD. Student- 2013-2014) should be conducted on or before 31st December 2018.

With regard to the allotment of Co-Supervisors, Members extensively discussed options available for the newly admitted PhD students based on the subjects studied at the Masters level. In this regard, it was decided that a formal consent shall be taken from the proposed co-supervisors as per the requirement of the latest PhD Regulation.
