Telangana: Two day National Urdu Science Congress at MANUU in Hyderabad next month

Hyderabad, Jun 14 (UNI) The School of Sciences (SoS) of Maulana Azad National Urdu University (MANUU) is organizing Fifth National Urdu Science Congress 2021 (NUSC) online on July 14 to 15, it was announced on Monday.

The main theme of the congress is "Impact of Technology on Multidisciplinary Scientific Research", Science Congress Convenor Prof Syed Najamul Hasan, said in a release here on Monday.

Paper presenters are required to submit a structured abstract of not more than 300 words in Urdu through the email – nusc2021.manuu@gmail.com by June 25, 2021 and information of acceptance will be communicated by June 30.

The sub themes of the congress include Health Sciences, Agricultural Sciences, Environmental Sciences, Pure and Applied Chemistry, Pure and Applied Physics, Pure and Applied Mathematics, ICT in Sciences and Communicating Sciences, the release said.

The research scholars and students who submit the full length paper on or before June 30 will be eligible for the award of best paper. The e-certificate will be given to all the registered participants.
