Agenda

The PhD Scholars of 2017 batch, mentioned in the table below, have received Non-NET fellowship for three years. For granting them the fourth year fellowship, they are required to submit their research progress and status, which they did in the Department. All the supervisors and the respective RACs have recommended the continuation of Non NET fellowship for these scholars for the fourth year as well, except for Mr Mobashshir Jamal who has de-registered his PhD programme as he has gone to USA on Fulbright Fellowship this month; he shall not be claiming any Non NET fellowship till he returns and re-registers as the University PhD Guidelines stipulate.

Therefore, the matter is submitted to the Departmental Research Committee for recommendation and approval.
