MANUU to launch Master of Vocational Courses : Prof. Ainul Hasan

Hyderabad:

Maulana Azad National Urdu University (MANUU) will soon be launching Master of Vocational courses and other courses as per the need of the market. University's health center will also get the services of physiotherapists, skin specialists and cardiologists. Prof. Syed Ainul Hasan, Vice-Chancellor said today in a ceremony held to distribute appointment orders among the selected students of final semester of Bachelor of Vocational course (B.Voc). Among 50 students of the first batch of B.Voc, 16 students were selected by Medcover Hospital in Radiology & Medical lab department even before their final examination. This first batch has finished its six months Internship on 2nd April, 2023 .

Prof. Ainul Hasan said that Government of Telangana has approved our Vocational Courses. MANUU is the first University to take a lead in launching Para medical vocational courses at Bachelor's level.

Dr Sharat Reddy, Cardiologist and Executive Director, Medcover Hospitals while addressing said in India medical facilities are increasing and now we are competing with developed countries like Japan. But more human resources are needed in the future. New technologies are emerging in the medical field and use of artificial intelligence is increasing. The medical departments need to change with time and in this situation educational institutions should come forward in developing manpower to the growing demand of Industry, he added.

Prof. Ishtiaque Ahmed, Registrar congratulated the students and thanked the officials of Medcover Hospital. Dr. Sateesh Kumar Kailasam, Group Medical Director & Academic Director of Medcover India welcomed the selected students in the Medcover family.

Prof. Syed Najamul Hasan, I/c Dean, School of Sciences delivered the welcome address. Prof. S. Maqbool Ahmed, Nodal officer conducted the proceedings and gave details about the programme. Dr. Syed Salahuddin, Associate Professor, chemistry proposed vote of thanks.
