RICE-2023

The Eighth edition of RICE-2023 organized by Department of Computer Science and Information Technology, School of Technology, Maulana Azad National Urdu University (Central University), Hyderabad, Telangana, India; Jointly co-organized by Universidad Don Bosco, El Salvador, CA. It provides an international forum which brings together the researchers as well as the industry practitioners, who are actively involved in the research in fields of intelligent computing, data science or any other emerging trends related to the theme covered by this conference. RICE-2023 will provide an opportunity to account the state of the artworks, to exchange ideas with other researchers and to gather knowledge on advancements in informatics and intelligent systems, technologies, and applications.

ATAL FDP

The FDP is designed to provide the state-of-the-art trends and advancements in Artificial Intelligence (AI), Classical & Quantum Machine Learning (QML) and its applied application in engineering and management. The FDP will focus on theoretical aspects as well as on providing hands on experience to the participants. The participants will be introduced to the fundamentals of AI, QML and develop the understanding of how to use QML. The participant will be trained and exposed to the emerging areas of future of AI, ML and QML. The FDP will provide a forum for the interaction of Artificial Intelligence and Machine Learning researchers and academicians to discuss the potential applications and recent advances in AI and QML. The FDP will also provide a platform to learn AI and QML using different tools, Python programming language and quantum differentiable programming. The FDP also aims to foster the exchange of ideas and creates an opportunity for collaboration in frontier areas of AI and QML.

FDP on EMERGING RESEARCH TRENDS IN COMPUTER SCIENCE

Five-day faculty development program took place from Tuesday, 16th January to Saturday, 20th January 2024. In this 5-day FDP program we covered a variety of subjects and experts are invited from different research areas like artificial intelligence, machine learning, blockchain Technology, natural language processing, and bioinformatics and shared practical sessions and current research trends, valuable information for future research directions.

14. EXAMINATION

- Course Assessment: It consists of Continuous Internal Evaluation (CIE) and Semester End Examination (SEE) as the major evaluations prescribed for each Course.
- The CIE and SEE to carry 30% and 70% weightage for each Course e.g., 100 marks (30+70) or 50 Marks (15+35) or like irrespective of its Credits. The absence from these evaluations or seminar presentations or late submissions of assignments or attendance, shall result in loss of marks.
- Internal Continuous Evaluation:

16.5.4 Continuous Internal Evaluation (CIE)

Only those students maintaining a minimum standard in CIE (passing marks) are permitted to appear in SEE of the Course. Thus a student failing in the CIE/internal assessment and practical of any course/paper shall not be allowed to appear in SEE/semester end examinations of that course/paper and she/he has to repeat both CIE/practical & SEE in the concerned odd/even semester.

The Award of CIE i.e. internal assessment marks in each semester shall be as follows:

Theory			Practical		Co & Extra Curricular	
Class Test	25	10	Practical Test	30	Activity Report	35
Assignments/Quiz / Seminar	10	4	Comprehensive Evaluation	15	Presentation /Seminar	12.5
			Viva Voce	10		
Attendance	5	2	Attendance	5	Attendance	2.5
Total (CIE)	40	16	Total (CIE)	60	Total (CIE)	50

- Practical exams must be completed before the commencement of semester end exams. The students failing in practical exams shall not be allowed to appear in theory exams of concerned paper. However, in programs of specific nature the students failing in field work/project viva/internship/teaching practice have to repeat the whole semester.

- In every semester, there shall be at least two class tests each of one hour duration. The average of two class tests or average of best two, if more than two tests as per the policy of department concerned, shall be considered for the evaluation as part of Continuous Internal Evaluation (CIE) in addition to assignments/Quiz/Slip Test/seminar and Attendance.

- In case a student fails to appear in any of the class tests due to medical emergency requiring hospitalization or attendance at NCC camps / Inter-Collegiate / Inter- University/ Inter-State / International Matches / Debates or such other inter University activities as approved by the University authorities, the student shall be allowed to take only one make up class test in those subjects as per convenience of the respective Department / College / Teacher concerned. The makeup test shall be counted as only

one of the tests for the evaluation of CIE. This facility is extended to only those students who personally or through parents inform the HoD/Principal on the day of hospitalization and submit the Medical Certificate within two weeks of said illness or have prior approval for participation in above events and submit the certificate of participation for the same.

- **Semester End Examination (SEE):** It shall be conducted at the Department/School level and cover the entire Course Syllabi. In order to have holistic assessment of students in SEE, MANUU has developed Model Question Paper for all programs of study. Model Question Paper is structured into three parts to ensure whole syllabus coverage and examine the factual, descriptive and analytical understanding of students for each course of study. Vide the 25th Meeting of Academic Council (Item: 25.2.07) Model Question Paper for all programs of study offered under regular mode was approved.

- At the end of the Semester, the University Examination shall be held as prescribed in the respective schemes of examination i.e., Date Sheet/Time Table.

- The University shall conduct odd and even semester examinations as per the Academic Calendar. The students appearing for backlog/improvement shall have to appear in the concerned odd/even semester examinations. There shall be no supplementary examinations.

- Only as an exception the student in the final semester of any program shall get a chance to register for the backlog papers of immediately preceding odd semester. For example, in a two years program, the students of semester IV shall be given a chance to clear the backlog papers of semester III along with the Semester IV examinations.

- A student shall be deemed to have fully passed the semester end examinations of any semester, if he / she secure not less than the minimum marks as prescribed below.

Qualifying Marks for Semester End Examinations		Qualifying Marks for Continuous Internal Evaluation	
Each Semester	Minimum Marks	Each Semester	Minimum Marks
Each Theory Subject	40%	Each Theory Subject	40%
Each Practical Subject	50%	Each Practical Subject	50%

- If a student fails to secure the minimum marks in any subjects/course/paper of odd and even semester examinations then he shall appear only in the failed subjects/courses (backlog courses/papers) in the concerned odd/even semester.

- **ATTENDANCE**

- In order to appear in SSE, the student must have passed in all CIE /practical/viva-voce as case may be and fulfill minimum consolidated attendance norm of 75%. The attendance norms shall be further subject to additional requirements of professional and technical programs. For example, in teacher education programs the minimum consolidated attendance requirement is that of 80%.

- Further in the case of teaching practice/field work in teacher education (like B Ed and M Ed) and Master of Social Work programs respectively the students must also fulfill the minimum attendance requirement of 90%. The students failing to secure the minimum attendance in practical work of these programs shall not be allowed to appear for the semester end exams and they shall be required to repeat the semester.

- A relaxation of not more than 10% of the attendance shall be extended on valid medical ground on the production of medical certificate subject to acceptance by HoD/Principal and approval by Dean of school concerned. Further only those medical certificates shall be considered for which HoD was informed during the illness or those that are subjected within two weeks of the said illness. A student deputed by the University to take part in any co-curricular or extra- curricular or sports or like may be given an additional concession of not more than 5% of attendance.

- A student in the Semester I of any program if detained due to shortage of attendance shall be allowed to register as re-admitted candidate in the next year of the same semester provided, she/he has secured a minimum of 40% attendance.

- Semester I students securing less than 40% attendance in the semester shall be detained and the candidate's admission stands cancelled. If they are interested to pursue the program they have to apply afresh as new/fresh candidate and compete in the admission process (merit/entrance test) as per the notification.
