**NATIONAL SPORTS DAY**

**29<sup>th</sup> August 2024**

## National Sports Day

National Sports Day is an annual celebration on August 29th in honor of Major Dhyan Chand, India's iconic hockey player. Known as "**The Hockey Wizard**," MANUU Bhopal campus celebrated the National Sports Day 2024 with the theme '*Sport for the Promotion of Peaceful and Inclusive Societies.*' It focuses on promoting a healthy and active lifestyle and encouraging sports participation at all levels. The B.Ed., M.Ed., and Ph.D. students participated in the event with full fervor. To acquaint the prospective teachers with the legacy of Major Dhyan Chand, an expert lecture was organized, followed by a power walk, mini marathon, table tennis, yoga, aerobics, and other indoor and outdoor games.

Over the course of the expert lecture, the students learn about the life and achievement of Major Dhyan Chand and his unparalleled skills and dedication to the sport which left an indelible mark on the world of hockey. The experts present spoke about his career, spanning from 1926 to 1948. Dhyan Chand scored more than 1,000 goals, winning India three consecutive Olympic gold medals in 1928, 1932, and 1936. Major Dhyan Chand's legacy extends beyond his extraordinary achievements on the hockey field – he redefined Indian sports on the global stage, showcasing the country's dominance in hockey during an era of fierce international competition. His contributions to Indian sports are not only remembered for his victories, but also for the inspiration he provided to future generations of athletes.

Students and Faculty members participated in The Fit India initiatives through **Fit India Mobile App**, celebrating the event the spirit of sportsmanship, excellence, and dedication that Dhyan Chand embodied. His legacy continues to inspire athletes nationwide, making August 29th a day of pride and reflection for all who value the importance of sports in society – and for our prospective teachers, who will surely be the torchbearers of his legacy.
