Tree plantation campaign, Ek Ped Maa Ke Naam (A Tree in the Name of Mother)

August 2024

In a profound initiative to honor mothers and promote environmental sustainability, the "A Tree in the Name of Mother" campaign was launched by honorable prime minister. The drive aims to plant trees in the name of mothers and ensure their care until they mature. This not only serves as a tribute to the nurturing role of mothers, but also contributes to environmental conservation. The Bhopal campus of MANUU also took part to accentuate the importance of individual responsibility in environmental sustainability. In the campus the faculty members and students planted a tree and committed to taking personal responsibility for its growth and care.
