An Extension Lecture was organized by the Department of Women Education, Maulana Azad National Urdu University, Hyderabad. It was on 19 February 2025 on the topic ***Be a Leader Yourself***, at 4:00 PM in Room No. 106, Department of Women Education, School of Arts and Social Sciences Building, MANUU, Hyderabad.

The lecture was organised under the Skill India Initiative program. Department took it dutifully to address the students on the importance of skills and how they can help in making their livelihood better and also contribute to the society.

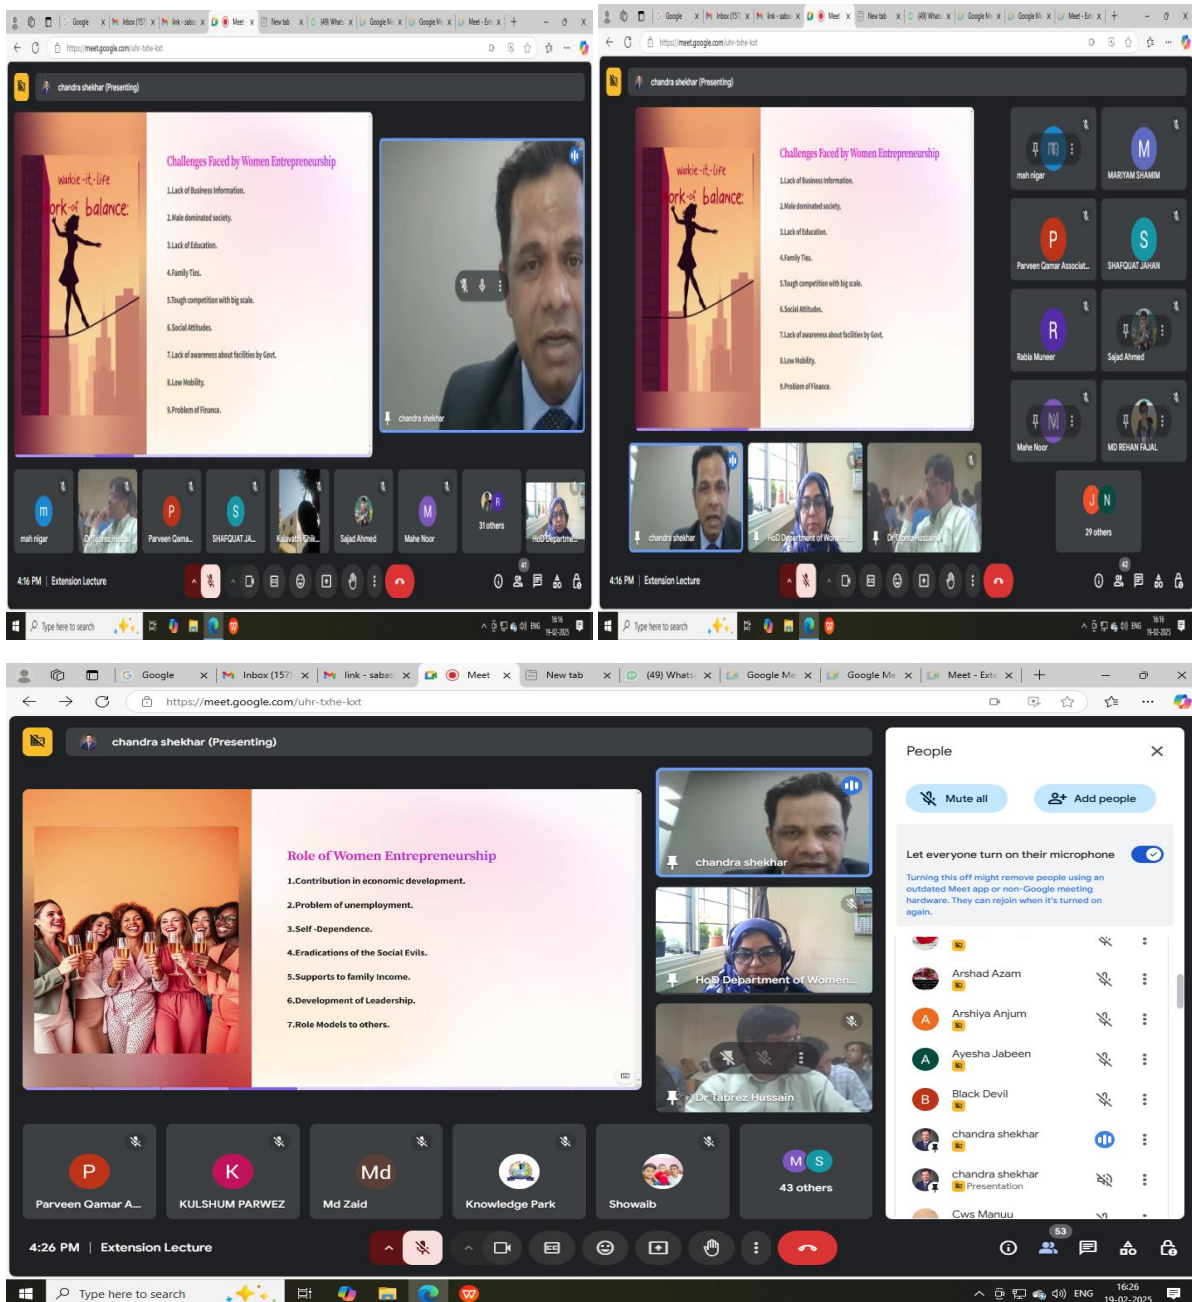

Eminent speaker Mr. Chandra Shekhar was invited to deliver the lecture. Mr. Shekhar is a well-known motivational speaker and corporate trainer. He is a Business Counsellor and Career Coach with vast experience. He has helped in growing many companies in the constantly changing market in their respective fields.

He discussed the topic in detail about starting own business, facing challenges and taking risks, all these require skills. Knowledge and abilities are the key to change. How a skilled person makes a difference and makes their work-place suitable and effective and contributes to the society while making their livelihood.

The lecture was well taken by the large number of students, scholars, teaching and non-teaching staff of the institution. As it was a Hybrid mode program, many people from outside the institution also joined and benefited from it.

The event was also addressed by Dr. Shabana Kesar, Head of the Department, who emphasised the relevance of such programs along with the academic endeavour. The event was coordinated by Dr. Parveen Qamar, Associate Professor in the Department. It ended with a thanks giving note, proposed by Dr. Tabrez Hussain, faculty in the Department.
