12.	Dr. Kulsoom Zahra	Guest Faculty MIT	Internal Members
13.	Dr. Tasneem Rehana	Guest Faculty MIT	Internal Members
14.	Mr. Mubashir Azam	Guest Faculty MIT	Internal Members
15.	Wajihus Shams	Lab Technician, Health Center MANUU	Internal Members
16.	Prof. S. Maqbool Ahmed	Professor, Botany	Convenor

Prof. S Maqbool Ahmed, Nodal Officer of B.Voc. Programme welcome all members. The following agenda items were discussed and following resolution were passed by all the members.

Item. 3.1. B.Voc. Regulation & Curriculum (MIT & MLT) : All the members approved B.Voc. Regulation & Curriculum of both MIT & MLT with some minor changes in the practical component.

All the members suggested to have intake of 40 seats in each programme, which shows the uniformity with B.Sc. Life Science & Physical Sciences.

Item. 3.2. B. Voc. Credit & Scheme of Examinations (MIT & MLT) : All the members agreed with the B. Voc. Credit & Scheme of Examinations (MIT & MLT). as per NSQF guidelines 180 credits are required to award UG Degree in B.Voc. Programme.

SCHOOL OF SCIENCES

Bachelor of Vocational Programme M.I.T. & M.L.T.

Item. 3.3. Approval of Curriculum for 2022 Batch (MIT & MLT) : The new curriculum is designed for 2022 batch students which was accepted by all the members. Present curriculum of 2019 batch students will continue to 2020, 2021 batch students.

Item. 3.4. Approval of 5th and 6th Semester Curriculum for B. Voc. (MIT & MLT) : The Syllabus of 5th & 6th Semester was designed in consultation with the Industry / Doctors and Internal staff members and it was decided to have 6th months internship to B. Voc. (MIT & MLT) students in the 6th semester.

The detailed structure of Internship is mentioned in the syllabus and all the members agreed the curriculum

The post facto approval of 5th and 6th semester was also accorded by all the members

Prof. G. Chandrasekaran, Special Invitee from Pondicherry University suggested to have one year internship to newly admitted students w.e.f. 2023. it mean B.Voc. Degree will be of 04 Years duration including one year Internship in the Identified Hospitals.

Item. 3.5. Internship Period for old batches B. Voc. (MIT & MLT) : for 2019, 2020, 2021 & 2022 batch students B. Voc. Programme (MIT & MLT) will be of 03 Years duration with six months internship in the hospitals. (3 year programme including six month internship)

Item. 3.6. M. Voc. Regulation, Curriculum and Titles of the Papers : The Nodal officer explained his views that Hon'ble Vice Chancellor of MANUU is very much particular in initiating M.Voc. Programmes, So, the regulations and titles of the papers for M.Voc. MIT & MLT was placed in front of the committee. As per NSQF guidelines. M.Voc. Programme shall be of 120 Credits with 04 Semester.

The Titles and Project / Internship in Semester wise were discussed. Further all the members agreed with the titles and specializations.

Dr. Rajiv Vanka is of opinion that Ultrasound Specializations should not be included in the curriculum as generally abdomen U/S in the Hospitals is done by the doctors / radiologist only, not by the technician. Further he also suggested to give nomenclature as M.Voc. Medical Imaging Technology instead of M.Voc. Radiology and Technology.

As for as the intake in M. Voc. is concerned it all depends on the university by seeing the facilities at partner hospitals. Further suggested to have intake of 20 students in PG Programme
