

The B.Voc. MLT, MIT and ETT, courses are UGC approved, regular, full time, credit based, four years degree courses equivalent to NSQF level 7, further, M.Voc. MLT and MIT & Ph.D MLT courses are also UGC approved, regular, full time, credit based, two years PG course equivalent to NSQF level 9. Lectures, practicals, evaluative clinical training and internship in hospitals, blood banks and hospital based stand-alone medical laboratories are included as per recommendation by the UGC.

Comprehensive coverage of theoretical aspects of all the subjects, extensive self-practice during practicals and hands-on training during the clinical postings are the highlights of these programmes. Skill based education makes our students highly employable.

B. Voc MIT, MLT, ETT, M.Voc MIT, MLT & Ph.D MLT courses are also approved by Telangana Paramedical Board (<https://manuu.edu.in/sites/default/files/Notification/06/BVoc-TSPMB-approval.pdf>)
