## **NOTICE**

### **National Space Day 2024**

All the Students of III semester are hereby directed to organize a special program to celebrate National Space Day ( NSpD) 2024 event titled: Touching lives while touching Moon-India 'Space Saga at your allotted SITP schools on 24/8/2024. This initiative is aimed at fostering a love for space science among students and enhancing their understanding of the universe.

As part of this celebration, you are expected to plan under the guidance of SITP supervisor and execute the following activities:

- **Play the video:** Play the videos on Space Science History, Video on the Solar system, and other related topics. Ensure the content is engaging and suitable for the students' age group.
- **Interactive Activities:** Organize hands-on activities, such as model-making, star-gazing sessions (if feasible).
- **Space Quiz:** Conduct a quiz competition to encourage students to learn more about space. Prepare questions that are both challenging and educational.

# Report on National Space Day

National Space Day is a special occasion celebrate to raise awareness about space exploration and the importance of Space Science , Technology, Engineering and Mathematics ( STEM).At MANUU CTE Aurangabad , the event titled “Touching lives while touching the moon -India’s Space Saga” which is scheduled to be held on 23<sup>rd</sup> of August 2024 was celebrated with great enthusiasm on 24/8 /2024 aimed at engaging Student Teachers of B.Ed. and faculty in activities related to space science and technology and exploration.

### Objectives

- To raise awareness about the advancements and significance of space exploration.
- To encourage students to consider careers in space science engineering and related fields.

### Activities

As part of this celebration following activities are done by the Students of the College:

- Played the videos on Space Science History, Solar System etc.
- Organized modal making activities for school students.
- Conducted quiz competition based on space information.

The event was a significant step in the institution’s efforts to aware students about nation’s progress in space. The event was well-received by students, as they perform best in the quiz organized by trainee teachers of college.
