Report
of

National Girl Child Day

24th January 2025

National Girl Child Day is observed every year on January 24th in India. This day aims to raise awareness about the rights of girls and to promote gender equality. College of Teacher Education MANUU Bhopal organized a brainstorming session with the prospective teachers. The theme for 2025, "Empowering Girls for a Bright Future," emphasizes the importance of providing girls with equal opportunities in education, health, and overall development.

The objectives of the session was to educate participants about the significance of National Girl Child Day, to discuss ways to empower girls and promote gender equality and to create awareness about government initiatives and schemes for girl child development.

Dr. Shabana Ashraf initiated the session and ignited the issue. Students discussed the challenges faced by girls in areas like education, health, and safety. They also discussed on ways to address these challenges. Dr. Ashraf made them aware about gender equality, child rights, and self-defense.

The students gained a deeper understanding of the challenges faced by girls in society. The session provided a platform for open dialogue and sharing of ideas. The students also learned about various government schemes and initiatives aimed at empowering girls. The brainstorming session highlighted the need for collective efforts to promote gender equality.
