

Training and Placement Cell, MANUU

Annual Report – 2024-2025

(01.04.2024 to 30.06.2025)

Introduction:

The Training & Placement Cell plays a crucial role in **providing** job opportunities for Diploma, Under Graduates and Post Graduates passing out from the university by **through contacts & collaborations** with reputed firms, organizations, institutions and industrial establishments. The Training & Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews (on/off campus) is continuously rising. On invitation, many reputed firms, organizations, institutions, companies visit the university to conduct interviews.

We have been successful in maintaining our high placement statistics over the years which is a testimony to our quality. Our ingenious alumni have set new standards in the corporate world through their estimable contributions and it is our firm conviction that we will continue that legacy in the years to come.

The Trainig & Placement Cell organizes career guidance programmes, training programmes like Mock Interviews, Group Discussions, Communication Skills, Workshop's etc and it also organizes Pre Placement Training for students who are interested to **appear in placement drives**. **The Cell** also invites HR Managers from different industries to conduct training programs /expertise talks for students.

Vision

To bridge the gap between industry and academia by training the students as per the market requirements

Glimpses of Placement Drives Conducted at MANUU Headquarters

Conclusion

The Training and Placement Cell of MANUU actively facilitated student career growth during the academic year 2024–25 through campus placements, and skill development initiatives. Many companies participated, offering job offers. The Training and Placement Cell organized workshops on soft skills and interview skills, while also enhancing industry collaboration through and expert sessions. The T&PC remains committed to bridging academia and industry, ensuring better employability for students.
