BRIEF DESCRIPTION

Dr. Shoaib Ansari is an accomplished legal scholar with expertise in data privacy and constitutional law. He has recently completed his Ph.D. in Data Privacy Law from the University of Delhi, where he examined India's data protection law and cybersecurity framework in a comparative study with the USA, China, and the EU. Dr. Ansari earned his LL.M. in Constitutional Law from Uttarakhand Technical University in 2018. In his LL.M dissertation he focussed on the transformative role of judicial review to address the evolving socio-legal challenges. He has participated in several international conferences and got his paper published in key constitutional law journals in India.

COURSES DESIGNED FOR UNIVERSITY OF DELHI (UNDER REVIEW)

- **Course Name:** "*Conscious Legal Practice: Spirituality & Societal Equity*"

Description: This course explores the integration of spiritual ethics, self-awareness, and societal justice within legal frameworks. Students engage with non-dogmatic principles of compassion, equity, and liberation to critique oppressive systems and reimagine law as a tool for holistic human dignity and transformative change.

- **Course Name:** "*Law, Ethics, and Inner Transformation*"

Description: Bridging constitutional mandates with introspective growth, this course challenges students to examine how personal and collective consciousness shape legal systems. Through critical inquiry and ethical action, learners design equitable solutions to caste, gender, and economic disparities, fostering justice rooted in empathy and systemic integrity.

COMPETITIVE EXAM EXPERIENCE

- Cleared several State Judicial Service Preliminary Examinations (*PCS (J)*)
- Appeared in Judicial Service Mains Examinations in Bihar, UP, MP & Rajasthan.
- Developed in-depth knowledge of civil, criminal, constitutional, and procedural laws through rigorous preparation
