REPORT

OF

Deeksharambh - SIP

28th July 2025 to 2nd August, 2025

Day 1 – Monday, 28th July 2025

The first day of the Student Induction Programme (SIP) began with a formal welcome and introduction to MANUU and the College of Teacher Education (CTE), Bhopal. Dr. Indrajeet Dutta addressed the gathering, explaining the objectives of the SIP and outlining the vision, mission, and goals of the institution. Dr. Shabana Ashraf graciously hosted the session and warmly welcomed the newly admitted students, creating an atmosphere of enthusiasm and belonging.

This was followed by an interactive session with all faculty members, where students were encouraged to introduce themselves, ask questions, and build familiarity with their teachers. The interaction aimed to break the ice and foster a sense of comfort and openness.

After lunch, the respective faculty members elaborated the course details for all programmes, including B.Ed., B.A., M.Ed., and Ph.D. The session aimed to provide clarity on academic structures, programme expectations, and evaluation mechanisms. The day concluded with tea and informal interactions, offering students a chance to engage in casual conversations with peers and faculty.

Day 2 – Tuesday, 29th July 2025

The second day began with an insightful session by Prof. Mohammad Ahsan, Director of the Regional Centre, MANUU Bhopal. He gave a comprehensive overview of the Centre for Distance and Online Learning (CDOL) and its offerings, highlighting the flexibility and accessibility of distance education.

Following the tea break, Dr. Shabbir Ahmed gave a detailed presentation on the evaluation system, explaining the Choice Based Credit System (CBCS), grading patterns, and the use of

the Samarth portal for academic and administrative activities. This session helped students understand the evaluation framework and digital tools used in the university.

The final session of the day, led by Dr. Pravini Pandagale, focused on balancing personal goals with family expectations. She shared valuable insights and coping strategies to manage academic pressure while maintaining a healthy family life. The day ended with tea and informal interactions, allowing students to reflect on the day's learnings.

Day 3 – Wednesday, 30th July 2025

The third day commenced with a motivational session on adjusting to new changes in academic life, delivered by Dr. Talmeez Fatma Naqvi and hosted by Dr. Tarannum Khan. The speaker encouraged students to embrace change positively and adapt to new academic environments with resilience.

Following this, Dr. Naushad Hussain conducted a session on the significance of school internships in teacher training. He emphasized the role of hands-on experience in shaping effective educators and how internships bridge theory and practice.

After lunch, Prof. Abdul Raheem delivered a powerful and thought-provoking session on academic integrity. He highlighted the ethical responsibilities of teachers and the vital role they play in building a strong and enlightened nation. The session encouraged students to uphold honesty and diligence in their academic journey.

Day 4 – Thursday, 31st July 2025

The day began with two engaging sessions focusing on essential life skills. Dr. Sakkeer V conducted a session on life skills, discussing how qualities like decision-making, critical thinking, and communication are vital in both personal and professional life. This was followed by Dr. Jaki Mumtaz, who spoke on time management and its importance in academic success.

The day concluded with a guided tour of the college facilities. Students were introduced to the library, curriculum laboratory, and ICT lab, providing them with hands-on exposure to the resources available for their academic development. The visit aimed to familiarize students with the infrastructure and encourage effective utilization of resources.

Day 5 – Friday, 1st August 2025

The fifth day was centred around health, creativity, and holistic development. The first session, led by Dr. Neeti Dutta, focused on yoga and wellness. She highlighted the importance of maintaining both physical and mental well-being through regular practice of yoga and mindfulness.

After high tea, Dr. Mohd Akhtar delivered an insightful lecture on the significance of teaching in the mother tongue, particularly Urdu. He aligned his discussion with MANUU's linguistic mission, emphasizing the cultural and cognitive benefits of mother-tongue instruction.

Later, Dr. Nahid Jahan Siddiqui and Mr. Saifuddin Ansari conducted an engaging session on the integration of performing and visual arts in teaching. Through interactive activities and

demonstrations, they illustrated how art can be used to enhance student engagement and creativity in the classroom.

Day 6 – Saturday, 2nd August 2025

The final day of the SIP began with a session by Dr. Sheikh Irfan Jamil, Assistant Professor, who spoke on the role of sports and physical activity in academic life. He stressed the importance of staying active and how physical education contributes to overall development and academic productivity.

After lunch, a vibrant session on the importance of cultural participation was conducted. Coordinated by multiple faculty members, this session celebrated students' cultural potential through presentations, performances, and interactive discussions. The event aimed to showcase talents and promote learning beyond textbooks.

The programme concluded with a heartfelt address by Prof. Noushad Husain, Principal, who congratulated the students on completing the induction week. He inspired them to strive for academic excellence and uphold the values of the institution. The event ended with a formal vote of thanks delivered by Dr. Shabana Ashraf, expressing gratitude to all participants, organizers, and faculty.
