Screening of the Inspirational Short Film *Chalo Jeete Hain*

The College of Teacher Education MANUU Bhopal organized the screening of the inspirational short film *Chalo Jeete Hain* for the students of B.A., B.Ed., and M.Ed. programmes on 30/09/2025 in the multi-purpose Hall. The event aimed to instill values of empathy, service, and purposeful living among future educators and young learners.

Chalo Jeete Hain, directed by Mangesh Hadawale and produced by Hadawale, Mahaveer Jain, Bhushan Kumar, is a thought-provoking film inspired by the early life of Shri Narendra Modi. The film narrates the story of a young boy who, deeply influenced by the teachings of Swami Vivekananda, discovers the joy and meaning of living for others. Through simple yet powerful storytelling, the film highlights the essence of selfless service, compassion, and moral courage.

The screening was followed by an interactive discussion in which students shared their reflections. Many participants emphasized how the film encouraged them to think beyond personal aspirations and align their goals with the welfare of society. The discussion also connected the film's message with the role of teachers as nation-builders who inspire and guide future generations.

The event proved to be an enriching experience for students, fostering not only critical thinking but also value-based learning. It reinforced the importance of living a meaningful life and motivated participants to imbibe the spirit of service and responsibility in their personal as well as professional journeys.
