Report of *Swachhotsav*

The College of Teacher Education (CTE), Bhopal, actively participated in the nationwide *Swachhotsav* campaign with the theme Clean and Green Festivities and Zero Waste Community Celebration. In alignment with the vision of a cleaner and more sustainable environment, the college organized a special cleanliness drive titled **Shramdan - Ek Din, Ek Ghanta, Ek Saath** on the college campus.

The event was held on 25.09.2025 from 9:30 a.m. to 10:30 a.m., during which faculty members, non-teaching staff, and students of B.Ed., M.Ed., Ph.D. and B.A. came together with great enthusiasm. The drive emphasized collective responsibility and teamwork, reflecting the spirit of community participation envisioned in the Swachh Bharat Mission.

All the participants including faculty members and students actively engaged in activities such as cleaning the campus premises, lawn mowing, proper segregation of waste, and spreading awareness on the importance of reducing single-use plastics and adopting sustainable practices. The initiative of *Swachhotsav* not only focused on maintaining cleanliness but also reinforced the idea of celebrating every occasion in an eco-friendly manner, minimizing waste generation, and ensuring responsible disposal.

The program concluded with a pledge to uphold the principles of cleanliness, green living, and zero-waste practices in daily life. The *Shramdan* activity served as a reminder that small individual contributions, when combined, create a significant impact in building a cleaner and greener future.

Through this initiative, CTE Bhopal reaffirmed its commitment to nurturing environmentally conscious citizens and promoting the vision of clean, green, and sustainable communities.
