An emergent meeting of the expert committee on NCAHP regulations was held on 5th January 2026.

Following resolutions were taken in the meeting:

1. It was suggested that, as per NCAHP regulations, Allied Health programs require NEET appearance as a basic eligibility criterion along with other eligibility criteria.
2. Further, all the members advised that the competent authority is requested to approach NTA(National Testing Agency) for mapping Allied and healthcare programs in NEET and exiting CUET UG from the year 2026 for admissions.
3. It was also suggested that complete information on the guidelines can be availed till the last week of this month, and 2-3 week waiting period is recommended for further clarifications.
4. However, for all Allied and Healthcare programs, the university may issue a separate notification following NCAHP guidelines.

All the members agreed the same.

Finally the Nodal Officer thanked all the members for their suggestions.

Kindly approve and acknowledge the same.
