12.	Prof. S. Maqbool Ahmed Nodal officer, Department of Vocational Studies and Skill Development	Convenor	

Note: Dr. Rallabandi Suresh Kumar, Radiologist, Medicovert Hospital, could not attend the meeting

Initially Prof. S. Maqbool Ahmed, Nodal officer, Department of Vocational Studies and Skill Development Welcomed all the members and the following agenda items were discussed and approved.

(7.1) Approval of Minutes of 6th BoS Meeting.

All the members unanimously approved the minutes of 6th BoS Meeting.

(7.2) Approval for B.Voc. MIT & MLT 6th Semester Syllabus till 2025 batch.

As the University has adopted NEP 2020, all the UG courses since 2023 have 04 years duration, While discussing B.Voc MIT 6th Semester papers, Dr. K. Thayalan and Ms. Bushra Khan (External Members) suggested to replace Non Skill Paper-5 "Radiotherapy Planning and Quality Control"

and include Role of AI in Radiology. This suggestion was appreciated by Dr. Pawan G Shinkar and other members of the BoS committee. The MIT staff will work out in collaboration with Ms. Bushra Khan to Draft the contents of the revised Non Skill Paper-5 titled Role of AI in Radiology. The final syllabus will be shared with the members within one week for approval. However, the B.Voc. MLT 6th Semester papers, titles and syllabus was discussed in detail and was approved, however, Dr. Abdullah Saad (External Member) advised to incorporate Point of Care Testing or POCT in Diagnostic Biochemistry Skill Paper-1 which was accepted.

(7.3) Approval for B.Voc. ETT 3rd & 4th Semester Syllabus.

As the Department introduced B.Voc. ETT in the year 2024, the syllabus for 3rd and 4th Semester had to be placed before the committee for approval. Since, the students have entered in the 3rd semester, the syllabus for 3rd and 4th semester was discussed and all the members approved the syllabus.

(7.4) Approval to nominate Dr. Kulsoom Zahra, Asst Professor as Research Supervisor for Ph.D MLT programs.

It was informed to the members that, the University has introduced Ph.D. in Medical Laboratory Technology in the year 2025, therefore, Dr. Kulsoom Zahra, Ph.D. Biochemistry, Asst Professor, a regular faculty, has been found eligible to be Research Supervisor. Therefore, she has been nominated as Research Supervisor for Ph.D MLT programs and she is eligible to supervise 04 candidates both in regular and part-time modes. All the members appreciated the introduction of Doctoral program in MLT and approved her nomination.

(7.5) Approval for Ph.D MLT course work syllabus.

All the members were informed that, the University has started Ph.D in Allied Health Sciences (MLT) in regular mode from 2025-2026, one student has secured admission with **Name: Qaisara Ali, Roll No: 25RVML001HY, Enrolment. No:A252309.** The following syllabus for course work was discussed and approved.

(7.6) Introduction of Ph.D MLT on part-time basis from November / December 2025 (Winter Session).

Considering the requirements and necessity, the department has proposed to introduce Ph.D MLT Programme on part-time basis for working professionals from November / December 2025 (Winter Session). All the members welcomed this initiative and unanimously approved the proposal. The following eligibility criteria and intake has been approved.

Name of the Programme	Intake	Eligibility	Mode of Admission
Ph.D. Medical Laboratory Technology (Duration Minimum 03 Years including Course Work)	02	i. Urdu as a subject/language or as a Medium in 10th/12th /Graduation level or equivalent Madrasa courses with Urdu as medium of Instruction approved by MANUU. ii. 55% marks in M.Sc. Medical (Biochemistry/ Microbiology/Pathology), Master in MLT. iii. Minimum 3 years relevant working / teaching experience in any institution.	Entrance Test

(7.7) Introduction of New UG course from 2026 - 2027 Academic Year.

(i) Bachelor in Optometry.

(ii) Bachelor in Physiotherapy.

(iii) Bachelor in OT & AT.

(iv) Bachelor in Dialysis Technology

The Nodal officer informed that, the need for skilled healthcare workers is increasing and allied & healthcare courses have become an integral part of medical education in India, therefore, to contribute positively to the health care system, the Department wishes to start ONE UG course of 04 years duration from the academic year 2026-27. The members deliberated on the prospects of all the above 04 programs and unanimously resolved to introduce Bachelor in OT & AT from the year 2026-27. Other courses can be introduced in the succeeding years.

(7.8) Discussion on National Commission for Allied and Health Care Professions Regulations.

The Govt Of India notified the NCAHP Act 2021 and constituted National Commission for Allied & Healthcare Professions to regulate and maintain standards of education and services by Allied and Healthcare professionals, assessment of Institutions, maintenance of central Register and state Register and creation of a system to improve access, research and development and adoption of latest scientific advancement and connected matters. The commission has released a circular vide Circular No: NCAHP 01/2025 dated 22-08-2025 directing all the concerned stakeholders to adopt & implement prescribed NCAHP Curricula as approved , mandatorily from the academic year 2026-2027 onwards.

However, the Nodal Officer informed the members that, MANUU being a central university, has not yet received any communication from the Ministry of Education regarding this development. The members suggested that, Since, NCAHP comes under the ambit of Ministry of Health and Family Welfare, Govt Of India, the Competant authority is requested to approach the UGC and Ministry of Health and Family Welfare for implementation of curricula as approved by NCAHP with regard to

Infrastructure, classrooms, Laboratories, Teaching faculty, Non teaching staff etc. Dr K Thayalan advised to strictly follow all the regulations of NCAHP for the conduct of the Allied and healthcare professions (MLT, MIT and ETT) being offered in MANUU and Ms Bushra Khan emphasized the enrollment/registration of Institution and Teaching staff in the NCAHP portal. The members unanimously agreed to the suggestions and resolved to bring this matter to the notice of the competent authorities.

(7.9) Approval for Six Months internship to 02 Backlog Students each in MLT & MIT.

The Nodal Officer informed the members that, 02 backlog students (2022 batch) have to undergo 06 months internship following their completion of 5th semester exams scheduled in the month of Nov 2025. The committee approved this and the following backlog students are permitted to undergo 06 months internship.

Name of the Student	Name of the Course	Enrollment Number	Roll Number
1. Umar Faruque	B.Voc MIT	A221963	22BVMI025HY
2. Md Kaif	B.Voc MLT	A221924	22BVML018HY

(7.10) Establishment of New Department for Allied and Health Care Professions (Department of Vocational Studies and Skill Development) with the approval of AC & EC & onward Submission of the proposal to UGC for Sanction of Teaching, Non Teaching Positions and Budget Grants.

The Nodal Officer informed the members that, in order to realize the vision of Skilled India, the University has established Department of Vocational Studies & Skill Development under School of Sciences, further, the University has also submitted a detailed proposal to the UGC for sanction of Teaching, Non teaching staff and Budget grants. The reply from the UGC is awaited.

(7.11) Any other matter with the permission of the chair.

Dr Amruth Rao (External Member) has suggested to start Bachelor in Nursing, as this course has plenty job opportunities in India and abroad. This suggestion was considered and appropriate steps will be taken in this regard.

Finally, the meeting concluded with vote of thanks by Dr Syed Hammad Hashmi.
