11.	Shri. Ravi Surla , Gunupati Venkata Krishna Reddy Emergency Management and Research Institute (GVK EMRI), Hyderabad	Special Invitee	
12.	Dr. Hammad Hashmi , Medical Officer, Health Center MANUU	Member	
13.	Mr. Wajihus Shams Assistant Professor (MLT)	Member	
14.	Dr. Kulsoom Zahra Assistant Professor (MLT)	Member	
15.	All Faculty Members , Department of Vocational Studies and Skill Development	Members	
16.	Prof. S. Maqbool Ahmed Nodal officer, Department of Vocational Studies and Skill Development	Convenor	

Note: The following members could not attend the meeting :-

- Prof. H. Aleem Basha, Dean, School of Sciences
- Dr. Rallabandi Suresh Kumar, Radiologist, Medico Hospital
- Dr. Pawan G Shinkar, Radiologist, Omega Hospital
- Dr. K. Amruth Rao, Microbiologist, Omega Hospital
- Shri. Ravi Surla, Gunupati Venkata Krishna Reddy Emergency Management and Research Institute.
- Dr. Kulsoom Zahra, Assistant Professor (MLT)

Initially Prof. S. Maqbool Ahmed, Nodal officer, Department of Vocational Studies and Skill Development Welcomed all the members and the following agenda items were placed for discussion and approval.

8.0. Approval of Minutes of 7th BoS Meeting.

All the members unanimously approved the minutes of 7th BoS Meeting.

8.1. Approval to Implement NCAHP regulations in TOTO in MANUU.

- a) Revision in the Nomenclature of existing UG programs, PG programs and Ph.D programs as per NCAHP.
- b) Revision in the nomenclature of the Department/Establishment of separate School.
- c) NCAHP Curriculum Implementation.
- d) Admissions intake, eligibility criteria for UG and PG programs.
- e) Infrastructure of the Institution.
- f) Approval for the revision of Faculty Designations and qualifications as per the guidelines of NCAHP.
- g) Approval of CAS regulations as per NCAHP.
- h) Approval for the revision of pay scales of the faculty as per the norms of NCAHP.
- i) MoU with Hospitals.
- j) Relaxation in PG-MRIT course for presence of Medical college.

- a) **Revision in the Nomenclature of existing UG programs, PG programs and Ph.D programs as per NCAHP.**

All the members agreed to revise the nomenclature of existing courses to the new nomenclature as recommended by NCAHP in the following format:

Current Nomenclature as per NSQF	Revised Nomenclature as per NCAHP to be implemented from 2026
Bachelor of Vocation in Medical Imaging Technology (B.Voc. MIT)	Bachelor in Medical Radiology and Imaging Technology (BMRIT)
Bachelor of Vocation in Medical Laboratory Technology (B.Voc. MLT)	Bachelor of Medical Laboratory Sciences (BMLS)
Bachelor of Vocation in Emergency & Trauma Care Technology (B.Voc. ETT)	Bachelor of Emergency Medical Technology (BEMT)
Master of Vocation in Medical Imaging Technology (M.Voc. MIT)	Master in Medical Radiology and Imaging Technology (MMRIT)
Master of Vocation in Medical Laboratory Technology (M.Voc. MLT)	Master of Medical Laboratory Sciences (MMLS)
Doctor of Philosophy in Medical Laboratory Technology (Ph.D. MLT)	Doctor of Philosophy in Medical Laboratory Sciences (Ph.D.MLS)

- b) **Revision in the Nomenclature of Department/Establishment of Separate School.**

Dr. K. Thayalan External member, emphasized to upgrade the Department of Vocational Studies & Skill Development to a Separate School of Allied & Healthcare Sciences, this proposal was seconded by Shri. Srinivasulu Siramdas, President NCAHP MRIT and Dr. C. Ananda V, Member MLS, NCAHP Council. They informed that as per NCAHP, these courses are under Allied and Healthcare Sciences, Which need to be under same School, therefore, a Separate School of Allied & Healthcare Sciences must be established, under which Department of Medical Laboratory Sciences, Department of Medical Radiology and Imaging Technology and Department of Emergency Medical Technology may be created. They opined to also recruit a separate Dean and regular faculty for School of Allied and Healthcare Sciences. This suggestion was discussed and considering the NCAHP guidelines was unanimously approved with a request to the Hon'ble Vice Chancellor to take appropriate steps in the regard expeditiously.

- c) **NCAHP Curriculum Implementation.**

All the members unanimously approved to compulsorily implement the curriculum in all UG / PG programmes as per NCAHP from 2026-2027.

- d) **Admission intake, eligibility criteria for UG and PG programs.**

e) Infrastructure of the Institution.

Shri. Srinivasulu Siramdas, Special Invitee informed that it is mandatory to approach Medical and Health Department, Government of Telangana and apply to obtain Essentiality Certificate / NOC. This advise was appreciated and supported by all the external members, who advised to expedite this matter and get the approval from the Government of Telangana. Further, as per NCAHP recommendations, the required strength of Teaching Faculty and Non-Teaching staff in all the UG / PG programmes and infrastructure facilities to conduct Allied Healthcare Programmes are essentially to be followed, which will be veiwed seriously by the Government of Telangana in order to issue Essentiality Certificate / NOC.

The BoS members requested the Competent Authority to expeditiously process to obtain NOC from the Government of Telangana in order to smoothly conduct Allied and Healthcare programmes in MANUU from 2026-2027. Further, after getting the required NOC, the University may inform the same to the Secretary, NCAHP and notify the admission schedule for UG/PG programmes for the year 2026-2027.

f) Approval for the revision of Faculty Designations and qualifications as per the guidelines of NCAHP.

NCAHP representatives have strongly recommended to revise the designation of teaching faculty from Guest Faculty to Assistant Professor (contractual) at entry level. NCAHP has recommended the required qualifications for teaching faculty for different Allied Healthcare programmes which is compulsorily to be followed. This was supported by all the members. Further, all the members requested the Competent authority to implement the above proposal in Allied Healthcare programmes.

g) Approval of CAS regulations as per NCAHP.

As per NCAHP recommendations, the qualifications and teaching experience for various academic cadre posts has been released, which needs to followed in all Allied Healthcare institutions. Therefore, the BoS members have requested the Competent authority to approve the same and implement in MANUU for faculty promotions.

h) Approval for the revision of pay scales of the faculty as per the norms of NCAHP.

NCAHP MRIT Council President Shri. Srinivasulu Siramdas informed that, the academic posts must be paid as per 7th Pay commission for all regular posts. However revision of remuneration for contractual employees (Teaching and Non-Teaching) is a policy decision of the University. Ms. Bushra Khan, External member insisted to take appropriate steps in this regard. All the external members and special invitees have suggested to request the Hon'ble Vice Chancellor to expeditiously recruit regular / permanent faculty in all the departments as per the cadre strength recommended by NCAHP at the earliest.

i) MoU with Hospitals.

The Nodal officer informed the members that, the University has already entered into MoU with two Corporate Hospitals viz Medicovert Hospitals & Omega Hospitals to facilitate clinical training, research and other academic facilities. Prof Dr.C.Ananda V, Member NCAHP said the requirement to have MoU with Hospitals for Allied Healthcare institutions is satisfied with the existing MoUs of MANUU which was appreciated and considered as an important requirement to obtain NoC.

j) Relaxation in PG-MRIT course for presence of Medical college.

Shri. Srinivasulu Siramdas informed that, since MANUU needs to obtain NoC from the state government, it is suggested to apply for all UG & PG programmes with the recommended infrastructure and obtain NoC. Further, a separate relaxation is not necessary, as the same programme has been continuing in the MANUU since 2023.

8.2 Approval of 1st DRC minutes.

The Nodal officer informed that, the University has introduced Ph.D. in MLT/MLS in regular and Self Finance Part Time mode from 2025-26, the relevant 1st DRC meeting was held and the minutes of the 1st DRC meeting was presented for approval, all the members approved in the minutes unanimously.

8.3. Approval to float admission notification of Allied and Healthcare courses of MANUU.

Special invitees and external members suggested that, the University may notify the admission schedule only after obtaining NoC / Essentiality Certificate for the Government of Telangana. Therefore, the competent authority is requested to initiate the steps to obtain NOC after which the admission notification may be released. This suggestion was approved with a request to the Hon'ble Vice Chancellor to take appropriate steps in the regard.

8.4. Equivalence of MANUU for B.Voc and M.Voc programs with other institutions with regard to total contact hours, credits, teaching hours and concurrence with regulatory bodies.

The Nodal officer informed the members about the recent objection raised by the Bihar Technical Service Commission in recruiting MANUU students who have qualified the recruitment exam for X-Ray Technician posts. He further informed that, the Dean Academics has requested to take approval in the BoS with regard to equivalence of MANUU B.Voc. & M.Voc. Programmes with other institutions. Shri. Srinivasulu Siramdas informed that the BoS is not the appropriate body to issue equivalence certificate. Instead, a separate Equivalence committee may be constituted by the University in this regard by nominating Senior faculty of various Allied and Healthcare Institutions, this committee may be entrusted with the responsibility to verify the teaching hours, credits, marks, content and other details and present their final report to issue Equivalency with BVoc/MVoc programmes. This proposal was appreciated with a request to the Hon'ble VC to finalize this matter at the earliest.

8.5 Registration of Institution and faculty with NCAHP portal.

Prof (Dr) C Ananda informed that, the NCAHP is still under the process of initiating the registration of Institutions and Faculty for Allied and Healthcare programs, once the portal for registration is operationalized the steps to register in that portal may be initiated, this BoS has deferred the proposal to register institution and faculty details.

8.6 Any other item with the permission of the Chair.

Shri. Srinivasulu Siramdas, NCAHP council President informed that, although registration with NCAHP is a part of eligibility criteria for PG admission, however, since the registration portal is not yet operationalized, the University may notify admissions and enroll the students possessing basic eligibility criteria and take an undertaking from the enrolled students to submit the registration details at a later stage.

The requirements of registration with NCAHP may be relaxed as a one time measure, however once the portal is operationalized, all the admitted candidates must be registered and the record may be maintained by the University.

Further, Shri. Srinivasulu Siramdas, also insisted to introduce Bachelor in Nutrition and Dietetics, 04 years degree course considering its demand and requirement, however the Nodal officer acknowledged his suggestion and ensured that this matter will be taken positively from the next academic year i.e. 2027-28.

Finally, the meeting concluded with vote of thanks by Mr.Md Khaja Moinuddin.
