3. Prof. Mahmood Siddique

(OSD – 2, MANUU)

4. Prof. Saneem Fathima

(Department of Commerce, MANUU)

• **Overview of the Event**

Introduction to Threads of Tomorrow:

The **Threads of Tomorrow** event is a celebration of the future of fashion. It showcases innovative and sustainable design concepts by fashion design students, highlighting how the next generation of designers is shaping the future of the fashion industry.

Objective:

1. Explore the intersection of fashion, technology, and sustainability.
2. Inspire students to experiment with new materials and techniques for creating fashion that's both forward-thinking and eco-conscious.
3. Provide students with a platform to present their creative visions for the future of fashion.

- **Highlights of the Event**

Fashion Collections with a Sustainable Focus:

1. Students will present collections that prioritize eco-friendly materials, upcycled fashion, and ethical production processes.
2. Designs that explore futuristic trends with a focus on sustainability and innovation.

Interactive Installations and Tech-Driven Fashion:

1. Hands-on exhibits where students showcase tech-driven fashion innovations, such as smart fabrics, wearable technology, and 3D-printed accessories.
2. Interactive fashion installations that engage guests in the creative process.

Panel Discussions and Workshops:

1. Industry experts, sustainability advocates, and technology innovators will share insights on the future of fashion.
2. Workshops on sustainable practices, digital fashion tools, and new technologies in design.

- **Expected Outcomes and Benefits**

Shaping the Future of Fashion:

1. Students will gain exposure to future trends, technologies, and sustainable practices that will shape the fashion industry.

Networking with Industry Leaders:

1. Students will have the opportunity to connect with professionals in fashion, sustainability, and technology for potential collaborations and career opportunities.

Building a Stronger Fashion Portfolio:

1. Participating in **Threads of Tomorrow** helps students enhance their portfolios with forward-thinking, innovative designs that stand out in the fashion world.

• **Final Thoughts:**

Threads of Tomorrow is an event that celebrates creativity, sustainability, and the transformative power of fashion, pushing students to think beyond the present and design the future of fashion.

THANK YOU
