REPORT

CAMPUS DRIVE AT CTE-BHOPAL MANUU

The College of Teacher Education, Bhopal organized a campus placement drive on 27/06/2023 for final year students of B.Ed. and M.Ed. Programme. The main aim of campus drive is to provide opportunity to gain experience of recruitment procedure like attempting written test, documentation and performing interview. The other aim is to provide prospective teachers with a platform for getting selected while pursuing their final semester. This drive also acts as an interface among various reputed schools of the city, seeking quality teachers. Before conducting placement drive, Students of final year of B.Ed. and M.Ed. programme were oriented about the eligibility test and presentation skills required to appear for the interview.

The placement drive was conducted in three phases:

- First Phase of Appearing in School Teacher Eligibility Test: In the Phase, students appeared for the written test (named STET) which consisted of Part-I- Child Development and Psychology; Part-II Math, Part- III-Environmental Education, Part-IV Hindi & Part-V English.

- Second Phase of Documentation Verification: In this phase, documents of the student were verified.

- Third Phase / Final Phase of Interview: Experts from various Schools of Bhopal City interviewed the candidate.

After the completion of interview process, MANUU CTE-Bhopal Principal Prof. Noushad Husain along with his faculty members and the Interviewers who came for the placement drive held a healthy discussion on the experience gained out of this initiative. They reported that the students of college of teacher education are very talented and have subject content as well as communication skills.
