REPORT

ON

MERI MAATI MERA DESH

28th August 2023

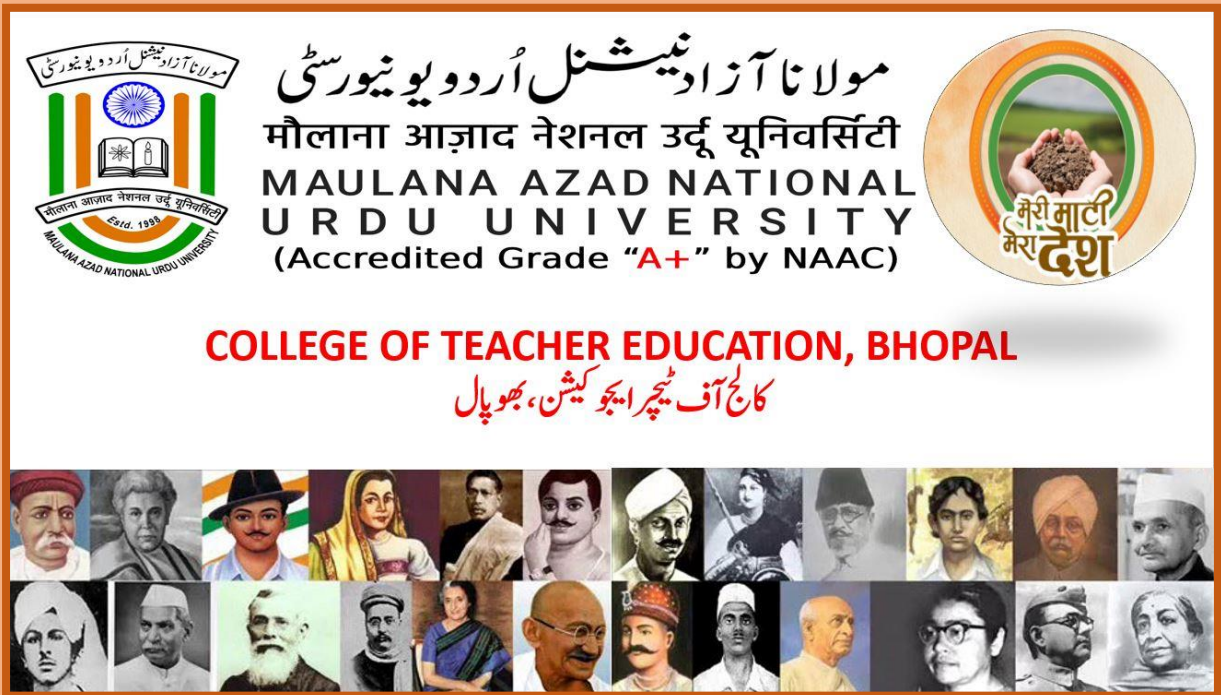

Report on Meri Maati Mera Desh

As per the “Meri Maati Mera Desh” campaign, CTE Bhopal held a program on the 28th of August with the purpose of acquainting the students with the lost heroes of the freedom struggle of India, and their sacrifices for the sake of their country.

The program was headed by the principal, Prof. Naushad Hussain, as well as Dr Talmeez Fatma Naqvi, and Dr Shabana Ashraf from the organizing committee.

The program was enthusiastically participated in, and overall well-received by the students, who solemnly and respectfully listened to the long-forgotten stories of the men and women who fought valiantly for their nation, and for the right of their descendants to live with freedom and dignity.

کالج آف ٹیچر ایجوکیشن، بھوپال

Students from different regions and districts of India used the program as an opportunity to enlighten their peers about the freedom fighters from around their own homes – some through speeches, and others through presentations. Using this opportunity to bring to the forefront heroes who had slowly been erased from the margins of history, students from all around India came together to recall their sacrifices.

Truly, the event was felt to be a quintessential example of India's "unity in diversity" – though they may all belong to different regions of the country, students were united by their love for it.

The next activity for this program was held on the 31st of August, where the students took a pledge to not only always remain committed to their country, but to encourage their future students to do the same.
