As the depletion of water level has been expedite due to the non-judicious use of water causing the water scarcity to the sizable population. Moreover, environment has also been getting polluted because of accelerated rate of plastic use at every house hold level. This has been causing serious damage to the environment. Besides these issues, students also interacted with the community people on theme of the various environmental issues like, water shortage, water management, energy saving, use of plastic, garbage management and so on. People were seemed with very positive attitude about the environmental issues during the discussion. Students were also carrying some placards and posters written with slogan like “Save Water, Save Energy, Say No to The Plastic, Reduce Plastic Use, Jal Hi Jeevan Hai, Stop Pollution and Per Bachao Per Tumhe Bachayega”. The awareness campaign was started at 9.30 a.m. from the CTE Bhopal and got culminated at 10.30 a.m. after the community meeting. The environmental awareness campaign followed by community meeting was supervised by Dr. Afaque Nadeem Khan (Asst. Professor), Dr. Jeena KG (Asst. Professor), Dr, Akhilesh Kumar Meena (Asst. Professor) and Mr. Shabbir (Office Staff).
