REPORT
of
PAINTING EXHIBITION
ON
GENDER SENTIZITATION

13th June 2023

Report

To celebrate the presidency of G20 and educate the citizens, and raise the awareness about India's historic leadership, the Ministry of Education has started a number of campaigns. To make the event a historic one, the College of Teacher Education Bhopal organized a number of curricular and co-curricular activities. Amongst them was a painting exhibition on the theme of "Gender Sensitization", organized on 13th June 2023.

All the students were invited to display their creative work, all assisted by the flair of color and brushes, allowing them to let loose their ideas on the canvas. As the theme of the Exhibition was "Gender Sensitization", the students' souls got reflected in their paintings, in the form of a variety of meaningful and artistic shapes and figures, in different hues and colors, aptly symbolizing and elaborating the theme. Through the students' paintings, one could feel that such interactive activities functioned as an excellent means to disseminate the message of gender sensitization among the students, and that, through this, students get the opportunity to know what the government's aims are, and what is important for a sustainable future. The event concluded with the prize distribution ceremony.

The Exhibition was conducted under the guidance of Mr. Saifuddin Ansari, Assistant Professor Fine Arts.
