## Day-1

The first day started with welcoming all participants to the workshop as it initiated. After the welcome, the resource person, Dr Afaque Nadeem Khan, presented the participants with a lecture on “Introduction of Story Telling as a Teaching-Learning Tool”. He set an example through using story-telling as a teaching strategy for the participants in the workshop. He especially lay emphasis on how, when it comes to remembering ideas, concepts and information, story-telling and narratives are the best pedagogical tool. The first day of the workshop ended with fruitful interaction of the participants with the resource person.

## Day-2

The succeeding resource person, Dr. Shaikh Irfan Jameel, gave a valuable demonstration on the use of story-telling teaching-learning technique for achieving the desired outcomes of lesson in social science pedagogy. He also stressed the use of narratives to enhance the information, concepts and ideas for the effectiveness of content matter of subject.

In second half of the session, an exercise was conducted wherein participants presented the lesson plan through story-telling.

## Day-3

The third day started with a demonstration on story-telling as a pedagogical tool in Arts by the next resource person, Mr. Tabrez Alam. He also gave emphasis on the use of story-telling as a pedagogical tool to explore the cultural diversity of students, as well as engage the with the content through their imagination. Story telling is also a form of art in which students interact actively.

## Day-4

The fourth day of the workshop started with the enthusiastic interaction of all participants with the resource person Dr. Shabana Ashraf, Assistant Professor, CTE-Bhopal, MANUU. She addressed the inculcation of the story telling as a pedagogical tool in science pedagogy, through evidence that this pedagogical tool promotes the understanding of facts and concepts and enforces critical thinking.

## Day-5

The last day of the workshop started with the interaction of resource person Dr. Talmeez Fatma Naqvi, Associate Professor, CTE-Bhopal, MANUU. She demonstrated the lesson plan by using story-telling for language pedagogy. In the second half of the workshop, most of the participants also gave a

demonstration on the language pedagogy by incorporating the story-telling method

The workshop concluded with the principal's address (Prof. Noushad Husain). He also congratulated to all the participants for their active, enthusiastic participations.

A vote of thanks was given by the workshop in-charge. He gave thanks to each and every person involved - both directly and indirectly - in the conduction, as well as the success of the workshop.
