Centre for Urdu Culture Studies Maulana Azad National Urdu University, Hyderabad

Semester - I

Course Title: Research Methodology • تحقیق کاطریقه کار

Programme Code: PHUC
Scheme of Instruction
Course Code: PHUC101CCT
Scheme of examination

Total Duration : 60 Hrs Maximum Score : 100 Periods/Week : 4 **Internal Evaluations** : 30 :70 Credits : 4 **End Semesters** Instruction Mode : Lecture **Exam Duration** : 3 Hrs

Course Objectives: Research methodology is an essential part of any kind of research work. This course focuses on thesis preparation, content writing, drafting and editing. The main objective of this course is to provide students with knowledge about definition, types and requirements of research. In addition, it aims to develop students' awareness of textual and theoretical research methods.

Course Outcomes: After the completion of this course, students will be able to understand and appreciate the characteristics and types of research such as literary research, cultural research, historical research, and social research. And they will also be able to identify the elements of analytical, comparative, structural, meta-structural, aesthetic and stylistic research.
