Mandate

- 01.** To promote and develop the Urdu language.
- 02.** To impart education and training in vocational and technical subjects through the medium of Urdu.
- 03.** To provide wider access to people desirous of pursuing programs of higher education and training in Urdu medium through teaching on the campus as well as through distance mode.
- 04.** To focus on Women Education.

About the Webinar

Education is the best means of National Development. Being, the largest democracy of the world we need to prepare our citizens in such a way that they emerge as the best resource and contribute their best towards national and social development and in turn making our nation as one of the most significant leading nations.

For achieving this purpose we need to reshape our educational system based on our values culture and aspirations of the people. The National Educational Policy (NEP 2020) is to be viewed in this context.

NEP 2020 : Vision and Mission

In order to have a thorough understanding of the vision and mission of NEP 2020 and prepare a roadmap in its light, MANUU proposed a National Webinar on it.

The New National Education Policy (NEP) was approved by the Union Cabinet on 29th July, 2020 and it is the first such policy in the last 34 years. By the passage of more than three decades many significant changes have taken place in our country, society, economy, and the world at large. The National Policy 2020 proposes the revision and revamping of all aspects of the education structure from schools to higher education, including its regulation and governance, to create a new system that is aligned with the aspirational goals of education, while building upon India's traditions and value systems. The New Education Policy aims at an inclusive, participatory and holistic approach to ensure versatile development of the country.

Objectives of National Webinar

- 01.** To understand the vision of the National Education Policy 2020.
- 02.** To discuss and analyze the transformational reforms in curriculum and pedagogy as suggested in NEP 2020.
- 03.** To deliberate on the role of academia, industry and public intellectuals in adoption of the NEP 2020 in Schools and Higher Education Institutions.
- 04.** To identify the challenges in the implementation of the NEP 2020.
- 05.** To prepare the Roadmap for MANUU in the light of NEP 2020.
