

School of Sciences

[National Science Day-2021](#)

On the occasion of National Science Day-2021 the School of Sciences, MANUU is organizing

- A special lecture by Eminent Scientist
- A Video presentation competition for all the students of MANUU.

The theme for National Science Day, 2021 is: "**Future of Science Technology and Innovation (STI): Impacts on Education, Skills and Work**". The students are expected to make a video on the mentioned theme, expressing their ideas on the theme. The competition will be conducted in four categories

1. PhD Students
2. Post graduate Students
3. Under graduate
4. Others (Diploma/Certificate course/+2 MANUU model school students)

The student should send their entries in the appropriate categories. They will be judged on the originality of the idea, content and creativity. **The video clip should not be of more than 3 minutes.** Video Clips of more than three minutes duration will not be considered.

The details and dates are as follows:
