## World Water Day 2022

Tuesday, 22<sup>nd</sup> March

**W**ater is an essential commodity for all living creatures on the planet and is concerned to all. However, this resource is facing sever threat due to mismatch between its availability and demand. Thus its judicious and cautious utilization is the topmost necessity and urgency.

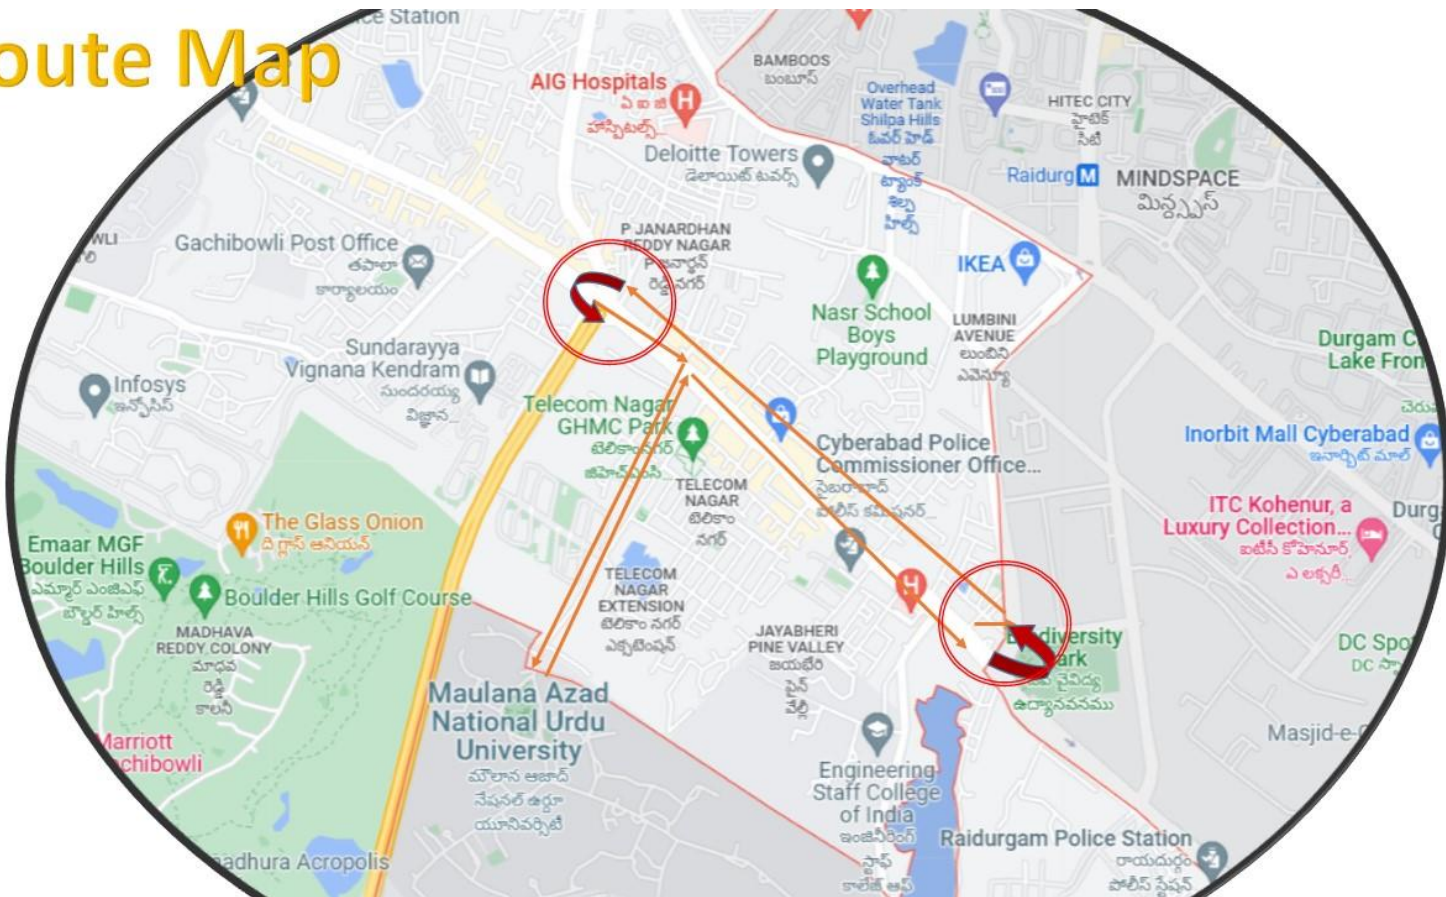

Water around us is found in the form of surface water (visible to naked eyes) as well as in the form of groundwater (invisible). There are scientific methods and approaches to assess and estimate the groundwater. It is important to note that water is finite either surface or ground water. Since the groundwater is not visible, efforts need to be made to explain to the stakeholder and users about its quantity and quality and the way to manage it. This is why MANUU plans to organize A WALK FOR WATER to generate awareness among the people the importance of (ground)water and its judicious utilization. This is also the theme of 2022 UN-WWD "Groundwater, making the invisible visible".

The MANUU walks for **water** is arranged under the outreach program of the university. The program is jointly organized by School of Sciences and HK Sherwani Centre for Deccan Studies, MANUU, Hyderabad

The march will start from the Central park, MANUU at 7.20am on 22, 2022 and will proceed to Biodiversity Park and return back by 10.15am

7.00	Central Park MANUU	Rendez-vous Arranging the queue as well as banners. (NSS Volunteers)
7.20	Departure	The procession of about 500 participants will start from MANUU gate following the attached route
8.15	Arrival at Bio-diversity Park	VIP/Dignitaries to join and deliver their messages at Biodiversity park or any nearby ground
8.45	Departure for return	From Biodiversity park proceed on the RHS of the Old Mumbai Highway and take U turn from the ORR traffic light and return to MANUU
10.15	Indoor-Sports Complex	Refreshment and rest, Screening of a documentary film on Water (by APJ Abdul Kalam, former President of India, if feasible). The Banners and Placards will be displayed inside the Sports Complex. The best 3 placards will be judged by a team for the prizes. These banners and placards will be kept for display for the whole day.

## Route Map

The students from the Boys and Girls Hostel need to register using the given link. Please remember the **registration is open now and it will be on first come first serve basis.**

It is also proposed that the registered participants may prepare placards with their message on Water Day with their names. The placards will be carried by the respective students during the march and will be kept in the Nawab Mansoor Ali Khan Patodi Sports Complex for display and competition. The best placards will get the first, second and third prizes.
