CALL FOR PAPERS

We are delighted to invite you to participate in the **Eighth International Conference on Research in Intelligent Computing in Engineering,** The **RICE 2023** will be organized by the Department of Computer Science and Information Technology, School of Technology, Maulana Azad National Urdu University (Central University), and co-organized by Universidad Don Bosco, El Salvador, CA during December 01 – 02, 2023. This conference will cover invited keynote talks and technical paper sessions. Besides, you will also get the opportunity to interact with various researchers to learn about some innovative ideas and research developments to become familiar with emerging trends in Science-Technology.

The Eighth International Conference on Research in Intelligent Computing in Engineering **(RICE-2023)** is a premier venue for bringing together a computer, electronics and associated area researchers, professionals and practitioners from both academia and industry, who are engaged in the different research domain. The conference encourages innovative research contribution providing the recent significant developments and promising future trends based applications, systems, tools, environments and infrastructure in the field of computation and related area.

Artificial Intelligence & Machine Learning

Communication Network

Internet of Things (IoT) and Big Data Analytics

Signal Processing and Embedded Computing

Smart Manufacturing Technology

Natural Language Processing and Applications

Important Dates

Submission Deadline:	August 10, 2023
Acceptance Notification:	September 30, 2023
Camera-ready :	October 10, 2023
Early Registration:	October 15, 2023
Final Registration:	October 25, 2023
Conference Date:	01 – 02 December 2023

Paper Submission link :
