## One Day Workshop

on

**Women's Financial Independence for Viksit**

**Bharat@2047**

**27<sup>th</sup> January, 2025**

“A Community Engagement Initiative by MANUU College of Teacher Education-Bhopal in collaboration with Kurana Gram Panchayat”

**About the Workshop:** Financial freedom is crucial for empowering people to make independent choices, secure their future, and lead a dignified life. For women, it becomes even more significant, as they make up half of the population; women's active participation in the economy is essential for the country's holistic development. When women are financially independent, they not only contribute to household stability but also drive economic growth and societal development. Empowering women financially is pre-requisite for achieving inclusive growth, social equity, and national advancement as India moves towards becoming a **Viksit Bharat@2047**. However, this potential remains largely untapped in many rural areas, where women still face significant barriers to financial independence, such as lack of access to resources, limited education, and social constraints.

In the light of this, MANUU College of Teacher Education-Bhopal is going to organize a one-day workshop to engage local community (women) at Gram Panchayat compound of a nearby “**Kurana**” village as part of Community Engagement to address these challenges and empower them. The proposed workshop on “**Women's Financial Independence for Viksit Bharat@2047**” is being organized in collaboration with the **Gram Panchayat of nearby Kurana village** on 27<sup>th</sup> January 2025 (Monday).

By focusing on financial independence, the workshop will not only help in the personal empowerment of women but also contribute to the social and economic development of Kurana village and beyond, making them active participants in the vision of Viksit Bharat by 2047.

### **Objective of the Workshop:**

The objective of this workshop is to provide women with practical knowledge into various opportunities for economic participation, such as vocational training, financial literacy, and access to government schemes. The workshop will also focus on the broader vision of Viksit Bharat 2047, where women's financial independence is integral to the nation's growth and prosperity.

**About MANUU:** Maulana Azad National Urdu University (MANUU) is a Central University. It was established in 1998 with national jurisdiction by an Act of Parliament to promote and develop the Urdu language and to impart vocational and technical education in Urdu medium through conventional and distance modes.

**About the College:** College of Teacher Education, Bhopal (Madhya Pradesh) is a constituent college of Maulana Azad National Urdu University. This is one of the premier colleges of teacher education in and around the State of Madhya Pradesh. The college started with a modest beginning in the year 2007 to meet the ever-increasing demand of quality teachers at secondary and higher secondary levels in Madhya Pradesh in particular and the nation as a whole. The college runs B.A., B.Ed., M.Ed. and Ph.D. programmes in Education. During these 16 years of journey, it has a phenomenal record of growth and development as well as placement, especially in government schools and colleges/universities.
