### **About the University**

**Maulana Azad National Urdu University (MANUU)** is a Central University established in 1998 through an Act of Parliament. Nestled in the vibrant city of Hyderabad, Telangana, its main campus spans 200 acres in Gachibowli. The University proudly bears the name of **Maulana Abul Kalam Azad**—a revered freedom fighter, visionary thinker, and India's first Minister of Education. A staunch advocate of knowledge and enlightenment, Maulana Azad laid the groundwork for India's modern education system, championing the cause of scientific, technical, and higher education in the formative years of the nation.

Maulana Azad National Urdu University (MANUU) began its academic journey in 1998 by offering educational programs through distance mode. In 2004, it expanded its outreach by launching on-campus programs. The University now offers regular academic programs through seven Schools of Studies, comprising a total of 19 departments. These departments provide a wide range of undergraduate, postgraduate, and Ph.D. programs across diverse disciplines.

### **About the School of Education & Training (SET)**

Since its inception, Maulana Azad National Urdu University (MANUU) has remained committed to preparing qualified teachers for Urdu medium schools. The journey began with the launch of the Diploma in Education (D.Ed.) program in 2001, marking the university's initial step in the field of teacher education. Building on this foundation, the Department of Education and Training was established in 2004, coinciding with the introduction of the Bachelor of Education (B.Ed.) programme. This growth culminated in the creation of the School of Education and Training in 2006.

The SET is dedicated to nurturing a community of highly competent school teachers and teacher educators who are firmly rooted in cultural and linguistic traditions while being fully prepared to meet future challenges in education. With a robust faculty, the SET continues to play a pivotal role in advancing teacher education in the Urdu language.

### **About the MANUU College of Teacher Education, Bidar**

MANUU, College of Teacher Education, Bidar, was established in 2015 to cater to the teacher education needs of Urdu-medium schools of Karnataka. Since its inception, the college has a strong reputation for its high academic standards and teaching-learning environment. It has gained recognition not only among the people of Bidar but also from other states, becoming a respected center for teacher education in Urdu medium.

### **About the Conference**

The National Conference on *Artificial Intelligence and the Future of Teacher Education* is a timely academic event aimed at exploring the transformative role of Artificial Intelligence (AI) in reshaping the landscape of teacher education in the 21st century. This Conference brings together educators, researchers, policy-makers, technologists, and students from across the country to engage in meaningful discussions, share innovative practices, and examine emerging trends at the intersection of AI and education.

## **Artificial Intelligence and the Future of Teacher Education**

The integration of Artificial Intelligence (AI) in teacher education is essential for preparing educators to meet the evolving demands of modern classrooms. AI can personalize learning experiences for trainee teachers, offer real-time feedback, adaptive assessments, and targeted support based on individual learning needs. It also enables access to intelligent tutoring systems, virtual simulations, and data-driven insights that enhance pedagogical strategies. Moreover, by familiarizing future teachers with AI tools and ethical considerations, teacher education programs can help them effectively integrate technology into their classroom practices, improving student engagement and learning outcomes, while maintaining the humanistic core of teaching.

The Conference aims to serve as a platform for collaborative thinking, encourage innovation, and it is a step towards a technologically enriched and forward-thinking education system that equips teachers not only to coexist with AI but to thrive alongside it.

### **Call for Papers**

We invite scholars, researchers, and educators to submit original papers for consideration. Submissions should reflect innovative insights and follow closely the Conference's central theme. Please ensure your work meets the outlined guidelines and contributes meaningfully to the discourse.

### **Theme of the Conference**

## **Artificial Intelligence and the Future of Teacher Education**

### **Sub-Themes**

This Conference aims to explore the dynamic intersections between Artificial Intelligence (AI) and teacher education. Therefore, the following sub-themes provide a broad base and in-depth framework for dialogue and deliberation:

1. **AI** as a Co-Teacher: Redefining Educational Roles in Digital Classrooms
2. Human-Centered Pedagogy Using **AI**
3. Teacher–Student–**AI** Interaction with Collaborative **AI**
4. Personalized Learning through **AI**: Educating Teachers for Adaptive Education
5. **Digital Tools** in Social-Emotional Learning
6. **AI** Analytics to Improve Data-Driven Teaching
7. Evaluation Paradigms with **AI**
8. Ethics and Equity in **AI**-Enhanced Education
9. Building Digital Competence in Teacher Education
10. Innovative Curricula for an **AI**-Driven Academic Environment
11. Supporting Institutional Administration with **AI**
12. Re-skilling and Up-skilling in Digital Pedagogy
13. Indian Knowledge System and **AI**
14. Learning Management Systems Using **AI**
15. **AI** in TLM Production

### **Full Paper and Abstract Submission:**

Authors are invited to submit their Abstract well in advance and full Research papers/Articles etc. in electronic format to the following email address: [conferencebdr2026@gmail.com](mailto:conferencebdr2026@gmail.com)

### **Submission Guidelines**

Participants are invited to submit original and unpublished research papers in accordance with the following guidelines:

#### **Title Page**

Each submission must begin with a title page that includes:

- Paper title
- Name(s) of author(s) in a Sequence
- Designation and Affiliation(s)
- Separate Email address and contact details of the corresponding author

#### **The submission should include: Abstract & Keywords**

- An abstract should consist only 200 –300 words
- Include relevant 5-7 keywords

#### **Paper Format**

- All papers must be submitted in **MS Word** format.
- Reference must follow the **APA 7th Edition**.
- The total word count should range between **2,000 to 3,500 words**, including the main text, references, tables, and figures etc.

#### **Font & Layout**

- Font: **Times New Roman**, 12-point
- Line spacing: **Single space**
- Heading, Sub-heading and points should be mentioned accordingly
- All tables, figures, and illustrations should be **embedded within the text** at their appropriate positions, not appended at the end.

#### **Fee for Registration and Publication**

- ★ There is **NO FEE** for registration and Publication.

#### **Plagiarism Check**

Authors are advised to **check their papers for plagiarism** using standard software before submission. Plagiarism should be less than 10%. Papers failing the standards will not be considered for publication.

#### **Publication Opportunities**

We are delighted to offer distinguished publication opportunities for selected high-quality papers in an Edited ISBN Book. All submissions will undergo a thorough peer-review process to ensure academic rigor and originality.

**Contact detail for paper submission and publication**  
**Dr. Naveen Kumar M. +91-9902913197/8171861845/9966507160**

**Important Dates for Papers acceptance**

- Submission of Abstracts: **10<sup>th</sup> January-2026**
- Notification of Abstract Acceptance: **12<sup>th</sup> January-2026**
- Submission of Full-Length Papers: **25<sup>th</sup> January-2026**
- Conference Date: **04<sup>th</sup> February-2026**

**E-certificates** will be issued to **all participants** and **paper presenters** upon successful participation and Paper presentation.

## **Conference Steering Committee**

### **Steering Committee**

Chief Patron

**Prof. Syed Ainul Hasan**

Hon'ble Vice-Chancellor, MANUU  
Hyderabad.

### **How to Reach Bidar**

- **By Air**

Bidar has a functional airport with direct flight connectivity to Bengaluru. For broader domestic and international access, Hyderabad's Rajiv Gandhi International Airport—located approximately 149 km from Bidar—is the nearest major hub, offering excellent connectivity to all parts of India and many global destinations.

- **By Train**

Bidar is well-connected by rail to several major cities. Regular trains operate to and from Bengaluru, Hyderabad, Mumbai, Sainagar Shirdi, Parbhani Junction, Aurangabad, Latur, Nanded, Manmad, Visakhapatnam, Machilipatnam, Vijayawada, Renigunta, and Kalaburagi.

- **By Road**

Bidar is accessible by a network of state and national highways. KSRTC operates frequent bus services to nearby cities including Kalaburagi, Hyderabad, Latur, Udgir, Nanded, and Solapur. Premium Volvo services are also available to major urban centers such as Bengaluru, Hubli, Belagavi, Davangere, Mumbai, Mangaluru, and Pune.
