MPhil
HR subject
NA

As per my understanding and experience, we need to focus another aspects in education apart from syllabus.

- 1) Indian Education System: Historical overview.
- 2) On educational management, teacher education program in country.
- 3) Educational leadership
- 4) Business industry
- 5) Advanced technology implications in education because that's is booming in present time.

Specialization in specific field

Personality development and spoken English

Personality Devepment and concurrent field work

Nothing

I think we need do imparted medical social work in our syllabus. We should also focus on practicing research tools like SPSS, R, STRATA etc.

Research and how to give interview

All good

Students should be taught in detail about Rural and Urban Management

Social worker as a Medical social worker topic add in course study

Urdu education is the best but there should also be an english in the course.that is very important for the students.

Need to provide the current research based papers which impact socially in our society.

Life skills and 21st century skills (classes or workshops should be )

Entrepreneurial/ Employability Skill education

Extra Curriculum Activities and Skill Lab

Advance English syllabus to be add over there .

Two paper shoud be include in syllabus

1. Hospital Management's
2. Hospital Administration

Specialization Courses

Courses can be more professional and alignment between course and field can be established more.

Indepth project related

More focus on concurrent field work

Yes

NA

Curriculum is already best in Social work dept, MANUU

Studied Courses should be designed in such a way that students could visualise and reflect upon self.

Their documentation and technically sound

Computer, and personally development classic like a language english and other Entrepreneurship session and gave the training.

.

Personality Enhancement and Development Skills

..

Fundamentals of web development

**3. What will you recommend to improve the quality of students so that they can be relevant to the market and can become easily employable?**

3. طلباء کے معیار کو بہتر بنانے کے لیے آپ کیا تجویز دیں گے تاکہ وہ مارکیٹ میں ملازمت کے قابل بن سکیں؟

improve the basic English knowledge
Leadership skills, Organization Skills
Writing of e-mail and resume
NA
Need to focus on few critical skills & Competencies in competing the market.
1) Complex problem solving 2) Advanced Excel 3) Designing and Facilitation. 4) Growth Mindset (learnability) Not Fixed mindset.
English speaking and writing and MS office,
Communication
Personality Development and concurrent field work
Include the technical activity
Need to focus on standard report writing, Proposal writing, data analysis and data visualization, develop empathy and patience.
Report writing, Communication Skills and problem solving
All good
The student completed his path with hard work, he is able to get employment. but or to get better employment, the student must have better English and written, communication skills.
Yes
Tutorial was not strictly followed when we were people. so I wish to follow the tutorial strictly.
(In the contest of MANUU) Need to focus on English speaking, IT and soft skill also.
Over the two years I felt that soft skills are most important for the Market employment without them it is very difficult to grow because Organisations spend a lot of time and money training staff, not in job specific areas but in general and basic skills. In times of high unemployment, employers have more choice of applicants and will favour those with well-rounded employability skills. So I Must recommend to students to improve their soft skills like communication, creativity, leadership, decision making skills, team work, problem solving and innovation etc.
Minimum theoretical part and more practical/ need based approach. To support students to prepare as per market need.
Leadership Quality and Communication Skills
Focus to be improve English speaking and writing because, higher level positions to the get its very must because, i have also suffered to this things. So, that's why having advised from my side.
More focus on practical knowledge
LAW related field Work Compulsory 2 teach both language English & urdu 3 current knowledge of social problem through expert's presentation on different topics
Data Analysis and creative report writing can be imparted among the students for the next.
More focus on feild work
Languages proficiency
No

NA
Add Best Digital literacy for Smart work
Might be included more skill based as per the market need
their strong communication means flouncy in English
According to market firstly prepare in communication and discipline. If we talk about today's situation, then in today's time computer skills and report writing are very important.
Project design skills
Fluent in English Language
.....
Please adapt your curriculum to meet the industry's current needs. It will also be beneficial to provide them a relevant work environment(updated computers, software etc). Apart from that have more professionals from the industry interact with them. Provide them an environment where they genuinely wish to learn by asking questions instead of teaching them everything from the book.

#### 4. Any other suggestion...

5. اور کوئی تجویز...

No
NA
I think, every year should be invite to some organization's from diffrent domain regarding students placement by MANUU placement cell or Department of Social Work.
Interview skill and presentation
Social work department theory & practical both & other departments focus the both so Hyderabad industrial area so mony opportunity for the students.
Department also can organise alumini workshops and session with with new comers that will help students to understand the challenges and opportunities in the field of social sector. How to mitigate these challenges by using different tools and techniques in the field of social work Practice.
All good
Presentation is done only one time in a semester, but i want that presentation should be done tow times in a semester, so that of students hesitation overcome. (Thank you...)
No
In the organization sector they never ask you about your knowledge but they must need to know about your soft skills or hard skills to I would really love to say that as I know that department of social work have conducted skills lab every week so If the department puts more emphasis on it, it will be better or else the number of skill labs could be increased per week.
No
Not at all
I would like to suggest to provide the mark shirts of the students when they passes the final semester by during this they may get the job earlier.
Not Yet
University and department can organise placement drive for students
Campus selection
No

No
NA
Technical sound must be needed like ..Computer skill and presentation skill
No
thanks
