SI	Question	Answer
103	My apologies, I am not satisfied with the mam. Her way of teaching is not as per English literature as it should be. She is versatile but her language fluency is not as good as it should be. And she looks everything feministic way.she never did introduce us with English Literature. She taught English Literature as Sociology.And the course which was designed is very low level. Actually I think this course is for intermediate students not for BA students. And also there should be more books in library related to English Literature of Indian writer like Shashi thoor,Salman Rushaidi,and all new figures as well as foreign writers.
