98	It is incumbent to say that the last five months have been very exciting and educating. Apart from learning a lot of things about research , the teaching method was very simple and which helped me to know more about the hitherto unknown areas.	
99	The above paper was very helpful to understand different dynamics of gender. It has aided me to comprehend the concept gender comprehensively. I must acknowledge that the way this teacher taught us was very captimaging and aroused an interest to be study more and more. The way of teaching was quite simple to understand. At making last attempt, the teacher was student centric and would always encourage which worked as a stimules for us.
