36	Mashallah, Dear mam, we really enjoyed your class. It was wonderful experience of learning English language from you. I would like to say that, initial stage was too tough for me (Being a Madarsa Students) to read , write and Speaking. However thanks to your motivational classes and suggestion, time to time through I gained a lots of skills to understand the gist of English learning. Also, I would like to point out that online medium is too tough, specially for newly admitted students like us. We recommend or suggest you to please conduct offline classes as soon as possible. Through online classes maybe we could do much better than online medium.
