13	1. As the discipline belongs to Arabic language and literature thereby the course should be balanced in terms of course content (comprehension) and opportunity for interaction with the students. 2. The course should equally focus on providing students opportunity to develop communication skills. 3. It will help students prepare notes themselves and put their own analysis about the course content 4. For this purpose they should be given opportunity for library consultation 5. The process will open scope to promote research ability			
14	May be revised time to time			
15	Remove some topics to reduce the content.
