5		How do you evaluate the class/students that you taught?
Answers		
1		There are different approaches, means, tools and techniques of evaluation, the most useful, easy and effective ways which I like most are, Classroom Discussion, Brainstorming, tutorials, assignments, seminar presentation and the performance in schools in practice teaching.
2		By continuous and comprehensive evaluation system
3		by CCE
<hr/>		
6		Any other comment that you wish to make about course content, methodology, students etc.
Answers		
1		The present course is as per the need, objectives and Up-to-date but as the time allotted i.e I-semester is not sufficient..as per duration it seems difficult to give justice. maximum inclusion of practical activities should be there.
2		Communicative English should be included in the second semester too
3		More books in URDU
