At the outset, Principal Prof. Naushad Husain welcomed the members and congratulated the Examination Committee for the efforts they did for the smooth functioning of online exams of 4th semester students. The following agendas were discussed and resolved:

Agenda No. 1: Review of 1st Online Lecture Series

Professor Noushad Husain appreciated the efforts of all faculty members involved in the planning of the online lecture series.

He opened the first agenda of the meeting with acknowledgement that it was not only classroom teaching, but independent and collaborative research and lecture, workshop and discussion on government policies are part of our jobs, too. Other than these, it is equally as important to see the work of other universities and try to improve our own all the same, in terms of national and international rankings. It is, in light of all of these points that college is going to organize an online lecture series on NEP-2020.

He continued by informing the moderators of the series about their respective duties, and the rapporteurs to compile a full-fledged report about the lecture series upon its completion. They were also tasked with ensuring the circulation and wider publicity of the series through newspapers, University News and Urdu Duniya.

The principal appreciated the efforts of the technical team in their work, and asked the technical team to prepare appreciation certificates for the speakers.
