Report on Art in Education Competition

As 'Art in Education' is an integral part of the syllabus of trainee teachers and co-curricular activities also a part of the course. Thus a Competition based on the art was organized on 20th January 2022, for the Semester III students. The students were instructed to send their work offline/online. All the students participated in the competition, 8 Students' file were selected.

Art in Education is very important to develop creative thinking, to understand Art as a medium of expression & education and to integrate Art with education to make the students better communicator.

The components of Art are: The following activities were carried out by the students:

Drama, Writing, Painting, Drawing, Pencil Art, Paper cutting and folding and Craft.

The objective of the competition was:

- To enable the students to present their creativity.
- To give an opportunity to the students to demonstrate Art skills.
- To encourage the students to participate in co-curricular activities.

The participants sent the files by post and email. The evaluators (Dr. Shaheen Parveen & Mrs. Siddiqui Uzma Mam) evaluated the participants by giving scores. The scores were added and the 1st, 2nd & 3rd prize winners were declared.
