Before taking up the agenda for discussion, the Vice Chancellor informed the house that the University envisages to launch 5 year integrated courses in various disciplines viz., Arts, Commerce, and Sciences on campus so that the mandatory requirement will be fulfilled for approval of Directorate of Distance Education Courses.

Further, the Vice Chancellor emphasized the need for discontinuation of some of the courses, which are not in demand or poor response is received. The HoDs were asked to identify and report about such courses. One of such courses is Diploma in Graphics and Animation.

Item No. 20.1

Sub: To Consider Prospectus-cum-Application Form for the Academic Year 2013-14 - Reg.

The matter of Prospectus-cum-Application Form for the Academic Year 2013-2014 was discussed at length. The following points were elaborately discussed:

i) New Programmes to be introduced from the Academic Year 2013-2014:

Prof. Fazal-ur-Rahman, I/c Dean, School of Sciences presented the proposal of the Five(5) Year Integrated Courses which the University envisages to offer from this Academic Year 2013-2014. The House was informed that a Committee was constituted by the Hon'ble Vice Chancellor under the Chairmanship of Prof. Sulaiman Siddiqui which proposed Integrated Courses with the following subjects under Credit Based System: -

(i) Mathematics; (ii) Physics; (iii) Chemistry; (iv) Biology, (v) Zoology; with combination of (vi) Computer Science.

The proposal of Department of CS&IT to start integrated M. Tech programme (6 years) which is also approved by School of Science was considered for approval.

Further, the Dean, School of Sciences informed that if approved, the above integrated programmes shall be offered from this Academic Year 2013-2014 with the utilization of Labs available at Polytechnic, MANUU. However, Prof. Wahab, Professor, DDE informed the house that the labs at Polytechnic, MANUU are of Intermediate Standard and needs to be equipped further to meet the standards required for Integrated Programmes. It is decided to upgrade the existing labs of Chemistry and Physics at Polytechnic making them suitable for integrated post graduate science programmes The labs required for Botany, Zoology shall be established by identifying suitable space. Simultaneously construction work of the proposed Departments in Sciences shall be taken up.

The Academic Council resolved to approve the following for the Academic Year 2013-2014:

- i) Introduction of Integrated Programmes except for Integrated M. Tech. Computer Sc. Programme; instead, B. Tech. Computer Science Programme was approved, which shall later be continued as M. Tech programme
- ii) Ph. D. Computer Science Programme;
- iii) Introduction of Ph. D. Programme in Translation;
- iv) Admission to Ph. D. Programme will be twice (July and February) in an academic year based on merit in the Entrance Test conducted once (July, 2013), subject to availability of supervisors.

Regarding notification of other Integrated Programmes, it was decided that a well planned schedule may be submitted by the Dean, School of Sciences so that the same may be notified after a due deliberations in the School, and the Departments shall adhere to the time schedule.
