- (iv) The Committee further recommended that the existing arrangements of Advisory Committee to the aforesaid Centres as approved by the Academic Council/Executive Council may be continued with suitable modification in its constitution/composition.
2. The Executive Council took note of the UGC communications No. F.48-3/2017(CU) dated October, 2017 and letter No. F.No.48-1/2017(CU), dated 12th March, 2018. According to the observations of the UGC that there are a large number of constituent units/Centres/Campuses under the umbrella of MANUU and the number of students enrolled in these entities are not at the desired level due to which, the utilization of infrastructure is not being fully utilized. Therefore, the University should review the functioning of these Units for its further continuance in case the sufficient students are not available. The UGC also sought an Action Taken Report (ATR) in this regard. The EC, therefore, felt that these Centres located at MANUU Main Campus, its teaching staff and its infrastructure should be fully utilized for teaching-learning-research activities to meet its objectives for which they have been established by the University.
