3. Vice-Chancellor's approval dated 08.11.2021

* * *

Dear Sir/Madam,

The Dept. of Higher Education, Ministry of Education, Govt. of India has impressed upon the need for preparation of Comprehensive Action Plan for Elimination of Identified Single Use Plastics and implementation of Plastic Waste Management Rule, 2016 in mission mode.

Consequently an Action Plan for Elimination of Single Use Plastic from MANUU Campus/es has been prepared envisaging therein various activities to be planned and organized for effective implementation of the same and to achieve the desired outcome.

A copy of the said action plan is appended herewith with a request to ensure implementation of the same in an efficient and effective manner.

With regards,

Yours sincerely,

Sd/-
Registrar I/c

To

**ACTION PLAN FOR ELIMINATION OF SINGLE USE PLASTIC
FROM MANUU CAMPUS/ES**

INTRODUCTION:

Single Use Plastic (SUP), often also referred to as disposable plastics (use-and-throw items), are commonly used for plastic packaging and include items intended to be used only once before they are thrown away or recycled. These include, among other items, carry bags, food packaging, bottles, straws, containers, cups & cutlery, etc.

Over the years, the amount of plastic entering oceans and seas has increased. Plastic Marine litter is harmful for marine ecosystem, biodiversity and potentially human health. Widespread concern on the issue has necessitated the need for a strategic approach to management of plastic waste. The Single-use Plastic items represent majority of items found in plastic marine litter.

India was the global host of 2018 World Environment Day which took place on 5th June, 2018. With "Beat Plastic Pollution" as the theme for this year's edition, the world came together to minimise plastic consumption and mitigate its impact on environment. Hon'ble Prime Minister has announced India's pledge to phase-out all Single-use Plastic by 2022.

The Government of India has reiterated that State/Union Territory Governments and Government employees should serve as an ideal in the effort to combat single-use plastic. Accordingly, the Government of India has issued Standard Guidelines for Single-use Plastic. Based on the communication received from Ministry of Environment, Forest and Climate Change, Govt. of India, the Department of Higher Education, Ministry of Education, Govt. of India has urged the Higher Educational Institutions to prepare a Comprehensive Action Plan for elimination of

identified Single Use Plastics and implementation of Plastic Waste Management Rules, 2016 and to ensure its implementation in mission mode.

A Committee comprising of the following has been constituted by the University to design the Action Plan for the Elimination of Single Use Plastic in the University:

1. Dr. S. Maqbool Ahmed, Associate Professor, Botany - Chairman
2. Dr. H. Aleem Basha, Associate Professor, Physics - Member
3. Dr. Shamsuddin Ansari, Regional Director, F&A - Member
4. Mr. M.A. Muqtadar, Junior Engineer (Electrical) - Member
5. Dr. M.A. Quddus, Asst. Registrar (Estate & Transport) - Member-cum-Convenor

After detail deliberations the Committee has framed the Draft Action Plan for the Elimination of Single Use Plastic in the University.

1. COMPLETE BAN ON USAGE OF SINGLE USE PLASTIC ITEMS:

The University shall immediately issue orders for complete ban on usage of single use plastic items in all its departments, sections, offices, commercial establishments (canteens, tea stalls, stationery store, etc.) functioning both at main campus in Hyderabad as well as in all its Off Campuses, Regional Centres, Sub-Regional Centres, etc. located throughout the country. This may *inter-alia* include:-

- (i) all types of plastic carry bags and;
- (ii) Plastic/thermocool (polystyrene) disposable cutlery including cups/glass, bowls, glasses, forks, spoons, containers, straws, etc. used for serving eatables/drinks.

Further, the University shall issue orders for discouraging the use of plastic products including:

- (i) Artificial flowers, banners, flags, flower pots;
- (ii) PET plastic water bottles;
- (iii) Plastic folders, trays, etc. and
- (iv) Any other plastic material for which an alternative exists.

The University shall declare all its campuses single-use plastic free.
