Finance Officer

No. MANUU/S&PC - F&A/2025-26/1144

29th July 2025

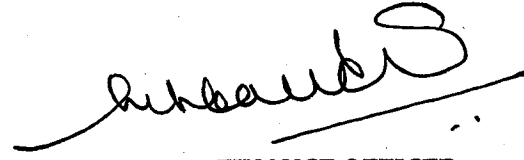

CIRCULAR

It is observed that few of the employees are availing Home Loans / Personal Loans etc from banks and after some time they request the F & A Section, MANUU for change of Bank Account for releasing the salaries.

Though availing Loans from banks are totally **personal**, occasionally bank officials are approaching the University and intimating about loan re-payment defaulters, which damage the image of the University.

Henceforth, change of new bank account for disbursement of salaries would be considered only after submitting the request letter along with No Objection Certificate from the existing bank.

All the employees / staff of MANUU are requested to strictly abide the above.
